WAYS & MEANS

Date 4/18/16

Dear Mr. Picente:

I am submitting the following Memorandum of Understanding for review and approval by the Board of Legislators.

This Memorandum of Understanding with Cornell Cooperative Extension of Oneida allows the Department to be reimbursed for the actual cost of four (4) Cornell Cooperative Extension workers to be located with the Department of Social Services Employment Unit. The Combined work space allows Cornell Cooperative Extension Child Care Employee to work with our Daycare Staff and allows for the sharing of information and maintains good communication.

The Term of the Memorandum of Understanding is January 1, 2016 through December 31, 2016 and the actual revenue received will depend on actual expenses and could be more or less than the department's anticipated revenue of \$7,500.00.

I am respectfully requesting that this matter be forwarded to the Board of Legislators for action as soon as possible. Thank you for your consideration.

Sincerely

*[Signature]*

Lucille A. Soldato  
Commissioner

RE: Proposed Agreement between the County of Oneida and Mohawk Valley EDGE  
for a Neutralization Facility Study (Marcy Nanocenter at SUNY Poly Project)

Dear Tony:

As you are aware, semiconductor manufacturing of the type conducted by ams AG and other semiconductor manufacturers is a highly water-intensive process requiring large amounts of fresh water for production and resulting in similar magnitudes of wastewater discharge. The largest wastewater stream generated by the semiconductor manufacturing process is known as general rinse water ("GRW"). GRW requires only pH neutralization, a relatively simple treatment process, prior to reusing the GRW in semiconductor manufacturing operations and/or permitting the direct discharge of the same to surface waters. The reuse of pH neutralized-GRW would not only reduce the volume of freshwater that a semiconductor manufacturer such as ams AG requires, but said reuse would also reduce the long term capacity demands on the local sanitary sewer system and the County's Water Pollution Control Plant.

A study to determine the feasibility of constructing a pH neutralization facility (the "Neutralization Facility Study") at or near the Marcy Nanocenter Site is planned. The total cost of the study will be \$62,500.00. The County was awarded a \$50,000.00 grant by the NYS Department of Environmental Conservation and the NYS Environmental Facilities Corporation to be applied toward the \$62,500.00 total cost of the Neutralization Facility Study, subject to the proviso that the County would be responsible to arrange the funding of the \$12,500.00 balance thereof.

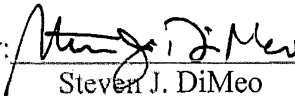

The County has indicated that it would like Economic Development Growth Enterprises Corporation d/b/a Mohawk Valley EDGE ("EDGE") to arrange for and/or oversee the preparation of the Neutralization Facility Study. To that end, I am enclosing herewith four (4) copies of a proposed agreement to be entered into by and between the County and EDGE with regard to the Neutralization Facility Study (the "Proposed Agreement"). The Proposed Agreement provides that the County would pay EDGE \$50,000.00 for its services in regard to the Neutralization Facility Study. The Proposed Agreement further provides that the \$12,500.00 balance of the \$62,500.00 total cost of the Neutralization Facility Study would be borne by EDGE through a combination of cash and in-kind services.

I would ask that you forward the Proposed Agreement to the Oneida County Board of Legislators for its consideration and approval.

If you have any questions regarding this matter or need any additional information from me, please feel free to call me.

Sincerely,

**ECONOMIC DEVELOPMENT GROWTH  
ENTERPRISES CORPORATION**

FN 20 16-184.2

Oneida County  
Board of Legislators  
800 Park Avenue  
Utica, New York 13501

Honorable Members:

Oneida County has been awarded a \$50,000 grant from New York State Department of Environmental Conservation and the NYS Environmental Facilities Corporation to help fund a feasibility study of constructing a pH neutralization facility. The pH neutralization facility would be used to treat waste water from the new AMS chip factory currently under construction and enable this water to be reused without any further processing.

I therefore request your Board approval to establish **Capital Project HG-541 – Neutralization Facility Study / Construction**, as follows:

	<u>PROPOSESD</u>	<u>CHANGE</u>	<u>PROPOSED</u>
State Aid.....	<u>\$ 50,000.</u>	<u>\$ 0.</u>	<u>\$ 50,000.</u>
TOTAL.....	<u>\$ 50,000.</u>	<u>\$ 0.</u>	<u>\$ 50,000.</u>

I also, respectfully request to have your Board act on this legislation at your **May 11, 2016** meeting.

Respectfully submitted,

RE: Appointment of Fire Advisory Board Member

Honorable Members:

Pursuant to County Law Section 225-a and Article XX, Section 2002 of the Oneida County Charter, I respectfully request the Board of Legislators' confirmation of my appointment of Barbara Calandra as the seventh and final member of the Fire Advisory Board.

I would appreciate the Board's action on this request at its earliest opportunity.

Very truly yours,

Anthony J. Picente, Jr.  
Oneida County Executive

## WAYS & MEANS

Honorable Members:

The Oneida County Board of Legislators designated January 1 through January 31, 2016 as "Open Enrollment" for farm-land owners in Oneida County, pursuant to an amendment by New York State to the Agriculture and Markets Law. This "open enrollment" period allowed the opportunity for landowner inclusion in an agricultural district, without waiting till the traditional review period of a district.

I have received the attached documentation after the Oneida County Agricultural and Farmland Protection Board's review found 24 landowners owning 5,670.4 acres to be in accordance with the qualifications for inclusion within an agricultural district.

I hereby submit the attached packet of information for final approval of the "Open Enrollment" period and respectfully request that this be considered by committee, and subsequently by the full Board at the meeting of **May 11, 2016** thereafter being submitted to the State for final approval.

Respectfully submitted,

GERALD J. FIORINI,  
CHAIRMAN OF THE BOARD

**ONEIDA COUNTY BOARD OF LEGISLATORS**

**RESOLUTION NO.**

**INTRODUCED BY: Mr. Porter**

**2ND BY: Mr.**

**RE: FINAL ADOPTION AND APPROVAL OF THE "OPEN ENROLLMENT" FOR AGRICULTURAL-LAND OWNERS**

**WHEREAS,** On December 10, 2003, the Oneida County Board of Legislators adopted Resolution #365 designating an "Open Enrollment" period (January 1 through January 31) annually, to consider the inclusion of any viable agricultural land in an Agricultural District prior to its sanctioned review period, and

**WHEREAS,** This year, applications for inclusion in existing Agricultural Districts from 24 landowners owning 5,670.4 acres have been received by the Oneida County Agricultural and Farmland Protection Board for consideration, have been reviewed by said Board, and such applications have been found to be in accordance with the qualifications for inclusion within an Agricultural District, now, therefore, be it hereby

**RESOLVED,** That the Board of Legislators adopts and approves of the inclusion of 5,670.4 acres to the existing Agricultural Districts as applied for during Oneida County's "Open Enrollment" period, and it is further

**RESOLVED,** That the Clerk of the Oneida County Board of Legislators be, and hereby is, authorized and directed to submit this Resolution, together with the report of the Oneida County Agricultural and Farmland Protection Board and the tax map identification numbers and tax maps of each parcel of land to be included within an Agricultural District, to the New York State Commissioner of Agriculture and Markets for final approval.

WAYS & MEANS

Board of Legislators  
800 Park Ave.  
Utica, NY 13501

Honorable Members:

I am writing in regards to Local Law Introductory "B" of 2016, an Act Allowing for Common, Safe Items to Be Excluded from the Dangerous Fireworks Definition as Permitted by New York State Penal Law Section 405 (B). This Local Law would legalize the sale and possession of sparkler products in Oneida County. Currently, thirty-five Counties in New York State, including Herkimer, Lewis, and Madison Counties have passed this Local Law.

To ensure that this law takes effect prior to the June 1<sup>st</sup> through July 5<sup>th</sup> allowable sale period, I am attaching a message of necessity to this Local Law pending passage by Ways and Means, and I am requesting that the waiting period be waived for passage by this Board at the May 11, 2016 board meeting.

Thank you in advance.

Sincerely,

Gerald J. Fiorini  
Chairman of the Board

## **ONEIDA COUNTY BOARD OF LEGISLATORS**

*RESOLUTION NO.*

*INTRODUCED BY: Messrs. Fiorini, Joseph, D'Onofrio, Sacco  
2ND BY:*

### **LOCAL LAW INTRODUCTORY "B" OF 2016, AN ACT ALLOWING FOR COMMON, SAFE ITEMS TO BE EXCLUDED FROM THE DANGEROUS FIREWORKS DEFINITION AS PERMITTED BY NEW YORK STATE PENAL LAW SECTION 405(b)**

Be it enacted by the Board of Legislators of the County of Oneida as follows:

#### **Section 1. Legislative Intent:**

- A. Whereas on November 21, 2014 Governor Cuomo signed into law Chapter 477 of the Laws of 2014 (S.7888/A.10141).
- B. Whereas this state law amended the State Penal Law, the Executive Law and the General Business Law placing further restrictions on dangerous fireworks while at the same time recognizing that certain fireworks should not be labeled dangerous when they pose little to no danger to the public and by labeling them dangerous only restricts business and personal enjoyment.
- C. Whereas the Governor signed this version of the bill into law in part due to its strong home rule authority, only allowing for certain fireworks to be sold and used in municipalities that affirmatively enact a local law authorizing such action.
- D. In keeping with Chapter 477 of the Laws of 2014, and Penal Code Section 405 this Board further finds and determines that "sparkler devices" may be sold and enjoyed, only in the manner describe below, within Oneida County.
- E. This Board finds that allowing our residents the use of safe "sparkler devices" will benefit them and our local businesses.
- F. The National Fire Protection Association adopted a recommended safety code (NFPA 1124) for the manufacture, transportation, storage and retail sales of fireworks.
- G. Whereas this local law and State Chapter 477 of the Laws of 2014 are compliant with the safety standards established in NFPA 1124.
- H. This Board further finds that the sale and use of "sparkler devices" is permitted with the following restrictions:
  - 1) Sales will only be permitted on or between June 1<sup>st</sup> through July 5<sup>th</sup> and December 26<sup>th</sup> and January 2<sup>nd</sup> of each calendar year.
  - 2) All distributors, manufacturers, and retailers must comply with any and all state laws and regulations regarding registration requirements.
  - 3) Only those 18 years of age or older may purchase said products.

#### **Section 2. Definitions:**

"Sparkling Devices" are defined as follows:

"Sparkling Devices" which are ground-based or hand-held devices that produce a shower of white, gold, or colored sparks as their primary pyrotechnic effect. Additional effects may include a colored flame, an audible crackling effect, an audible whistle effect and smoke. These devices do not rise into the air, do not fire inserts of projectiles into the air, and do not explode or produce a report (an audible crackling-type effect is not considered to be a report).

Ground-based or hand-held devices that produce a cloud of smoke as their sole pyrotechnic effect are also included in this category. Types of devices in this category include:

- 1) cylindrical fountain: cylindrical tube containing not more than seventy-five grams of pyrotechnic composition that may be contained in a different shaped exterior such as a square, rectangle, cylinder or other shape but the interior tubes are cylindrical in shape. Upon ignition, a shower of colored sparks, and sometimes a whistling effect or smoke, is produced. This device may be provided with a spike for insertion into the ground (spike fountain), a wood or plastic base for placing on the ground (base fountain), or a wood or cardboard handle to be hand held (handle fountain). When more than one tube is mounted on a common base, total pyrotechnic composition may not exceed two hundred grams, and when tubes are securely attached to a base and the tubes are separated from each other on the base by a distance of at least half an inch (12.7 millimeters), a maximum total weight of five hundred grams of pyrotechnic composition shall be allowed.
- 2) cone fountain: cardboard or heavy paper cone containing not more than fifty grams of pyrotechnic composition. The effect is the same as that of a cylindrical fountain. When more than one cone is mounted on a common base, total pyrotechnic composition may not exceed two hundred grams, as is outlined in this subparagraph.
- 3) wooden sparkler/dipped stick: these devices consist of a wood dowel that has been coated with pyrotechnic composition. Upon ignition of the tip of the device, a shower of sparks is produced. Sparklers may contain up to one hundred grams of pyrotechnic composition per item.
- 4) novelties which do not require approval from the United States Department of Transportation and are not regulated as explosives, provided that they are manufactured and packaged as described below:
  - (A) party popper: small devices with paper or plastic exteriors that are actuated by means of friction (a string or trigger is typically pulled to actuate the device). They frequently resemble champagne bottles or toy pistols in shape. Upon activation, the device expels flame-resistant paper streamers, confetti, or other novelties and produces a small report. Devices may contain not more than sixteen milligrams (0.25 grains) of explosive composition, which is limited to potassium chlorate and red phosphorus. These devices must be packaged in an inner packaging which contains a maximum of seventy-two devices.
  - (B) snapper: small, paper-wrapped devices containing not more than one milligram of silver fulminate coated on small bits of sand or gravel. When dropped, the device explodes, producing a small report. Snappers must be in inner packages not to exceed fifty devices each, and the inner packages must contain sawdust or a similar, impact-absorbing material.

### **Section 3. Separability:**

If any part of or provisions of this law, or the application thereof to any person or circumstance, shall be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part of or provision of, or application directly involved in the controversy in which such the remainder of this law, or the application thereof to other persons or circumstances.

### **Section 4. Effective Date:**

This Local Law shall be effective immediately upon filing with the New York State Secretary of State.

## Affidavit

Under penalty of perjury, the undersigned officials certify that they have read and understand their obligations under the **Equitable Sharing Agreement** and that the information submitted in conjunction with this Document is an accurate accounting of funds received and spent by the Agency under the Guide during the reporting period and that the recipient Agency is compliant with the National Code of Professional Conduct for Asset Forfeiture.

The undersigned certify that the recipient Agency is compliant with the applicable nondiscrimination requirements of the following laws and their implementing regulations: Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), and the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), which prohibit discrimination on the basis of race, color, national origin, disability, or age in any federally assisted program or activity, or on the basis of sex in any federally assisted education program or activity. The Agency agrees that it will comply with all federal statutes and regulations permitting federal investigators access to records and any other sources of information as may be necessary to determine compliance with civil rights and other applicable statutes and regulations.

**During the past fiscal year: (1) has any court or administrative agency issued any finding, judgment, or determination that the Agency discriminated against any person or group in violation of any of the federal civil rights statutes listed above; or (2) has the Agency entered into any settlement agreement with respect to any complaint filed with a court or administrative agency alleging that the Agency discriminated against any person or group in violation of any of the federal civil rights statutes listed above?**

Yes     No

### Agency Head

Name: McNamara, Scott D.  
Title: Oneida County Dist. Atty.  
Email: Smcnamara@ocgov.net

### Governing Body Head

Name: Picente, Anthony J.  
Title: Oneida County Executive
