MEMORIALIZING PETITION

READ & FILED

F.N. 2015 -

SPONSORS: Legislators Convertino, Fort, Tallarino, Furgol, *WELSH, PAPARELLA, Spiciale*

A MEMORIALIZING PETITION URGING CONGRESS TO RECONSIDER THE PLAN TO LEAVE SOCIAL SECURITY RECIPIENTS WITHOUT A COST OF LIVING ADJUSTMENT (COLA) DESPITE MEDICARE PART B PREMIUM INCREASES FOR 2016 AND TO DEVISE A MORE ACCURATE MEANS OF CALCULATING THE ANNUAL COLA BASED UPON TRUE COSTS EXPERIENCED BY SENIORS

WHEREAS, Congress enacted automatic increases for Social Security beneficiaries in 1975 and since that time increases have averaged four (4) percent a year; and

WHEREAS, two-thirds of retirees depend upon Social Security for the majority of their income and only twice before has the COLA remained constant and without an increase; and

WHEREAS, inflation has been so low in 2015, primarily due to lower fuel costs, that there is little chance the Consumer Price Index will yield a benefit increase for 2017; and

WHEREAS, more than 70 million Americans (including 4 million disabled veterans, 2.5 million federal retirees and their survivors and over 8 million SSI recipients) will find themselves without a COLA ; and

WHEREAS, nearly one-third of Medicare beneficiaries will see a significant premium increase, including first-time enrollees, enrollees who do not receive a Social Security benefit, those directly billed for their Part B premium and those who pay a higher premium; and

WHEREAS, New York State will be financially impacted due to the state's premium payments for dual Medicare-Medicaid beneficiaries;

NOW, THEREFORE, BE IT RESOLVED, Oneida County strongly encourages Congress to address the underlying causes of inaccurate COLA calculations which yield fiscal stress to states and their residents and preclude the implementation of the proposed no COLA increase plan; and

BE IT FURTHER RESOLVED, that Oneida County believes our State Representatives must diligently support and convey the necessity of accurate COLA calculations to Congress and the Federal government; and

BE IT FURTHER RESOLVED that a copy of this Petition shall be forwarded to the following: NYSAC, New York State Governor Andrew Cuomo, Congressman Richard L. Hanna, United States Senator Charles E. Schumer, United States Senator Kirsten E. Gillibrand, New York State Senator Joseph A. Griffo, New York State Senator David Valesky, New York State Assembly Representative Claudia R. Tenney, New York State Assembly Representative Anthony Brindisi, New York State Assembly Representative Ken Blankenbush, New York State Assembly Representative William Magee, New York State Assembly Marc Butler, County Executive Anthony Picente, and all others deemed necessary and proper.

- Solid waste/sludge tipping fees will remain the same as 2015 rates, as indicated below:

	<u>2015 Rates</u>	<u>Proposed 2016 Rates</u>
Municipal Solid Waste (MSW)	\$66.00/ton	\$66.00/ton
Sludge	\$66.00/ton	\$66.00/ton

All other rates remain the same.

- The proposed 2016 tipping fees remain lower than tipping fees in 1992.

- Oneida-Herkimer recyclables will be accepted at no charge for the 25th consecutive year.
- The Authority receives no funding from the Counties. 2016 will mark the 28th consecutive year of a financially self-sufficient and stable operation.
- The proposed budget includes continued revenue from the landfill gas to energy facility at the Regional Landfill and out of County recyclables' processing fees.
- 2016 will mark the 5th year of operation of the Authority's single stream Recycling Center in Utica. The single stream program has increased participation, reduced waste and recovered more material for sale to markets. **Marketed recyclables have increased by 10%. It has also allowed for more efficient collection of recyclables by municipalities and haulers, which means stabilized or lower collection costs.**
- In 2015, the Authority in conjunction with the NYS Environmental Facilities Corporation refinanced the 2006 bonds for the Landfill. This will save the Authority over \$200,000 in 2016.
- In 2016, landfill reserve accounts (established in 2006) will be continued to insure there will not need to be additional future borrowing for the Landfill. In 2016, the Authority plans to use about \$1.1 million for equipment, vehicles and expansion of our gas collection system.
- The Authority will continue to invest in capital assets at its other facilities with approximately \$1.1 million targeted for equipment, vehicles and facility improvements.
- The Authority manages the waste and recyclables collection systems for the City of Utica and the Villages of Ilion, Frankfort, Mohawk, Herkimer and Dolgeville. The Authority currently maintains a separate accounting system for each municipality.

An overview of the proposed 2016 budget is being presented at the November 16, 2015 Board meeting. A public hearing and action by the Board is anticipated for the December 21, 2015 meeting.

Please feel free to contact me if you have any questions.

RE: **APPROVAL OF CONSOLIDATED AGRICULTURAL DISTRICT #6 TO INCLUDE THE TOWNS
OF BRIDGEWATER, MARSHALL, PARIS AND SANGERFIELD**

Dear Commissioner Ball,

The Oneida County Board of Legislators voted to approve the eight year renewal and consolidation of Oneida County Agricultural District #6 as modified.

Please note that, 1) since the NYS Department of Agriculture and Markets has concluded, there is little likelihood of significant adverse environmental impact resulting from the formation or modification of such districts, and 2) in an effort to minimize procedural and administrative delay associated with the State Environmental Quality Review process, the Oneida County Board of Legislators has conducted an uncoordinated review of the district pursuant to SEQR. An uncoordinated review requires each involved agency to make its own Determination of Environmental Significance.

Regarding the above district, I am enclosing our complete file that includes the following information:

- County resolution accepting parcels,
- Listing of parcels with names and tax map numbers,
- Report of the County Planning Department and the Agricultural Farmland Protection Board,
- Environmental Assessment and Negative Declaration,
- Agricultural District Review Profile,
- Notice of Public Hearing
- Public Hearing Minutes
- Notice of 30-day Public Review

A digital version of the map of the district has been already mailed to you.

Sincerely,

Phyllis M. Parry

**ONEIDA COUNTY FARMLAND PROTECTION BOARD REPORT FOR
ONEIDA COUNTY AGRICULTURAL DISTRICT #6
TOWNS OF BRIDGEWATER, MARSHALL, PARIS & SANGERFIELD
JUNE 2015**

1. INTRODUCTION

This report presents the findings of the Oneida County Agricultural and Farmland Protection Board's 2014, eight year review and final recommendations to the County Legislature for Agricultural District #6 in Oneida County in the Towns of Bridgewater, Marshall, Paris, and Sangerfield.

2. DISTRICT REVIEW

2.1 Consideration of Review Factors

Section 303-a of Article 25AA of the New York State Agriculture and Markets Law lists the factors that the Oneida County Agricultural and Farmland Protection Board (FPB) must consider when reviewing an agricultural district. The following text represents the results of the review of these factors as they relate to the review of Oneida County Agricultural District #6.

2.1.1 The nature and status of farming and farm resources within such district, including the total number of acres of land and the total number of acres of land in farm operations in the district

The majority of farmland in District #6 is related to dairy operations. This district also has a significant amount of cropland.

The 2015 modifications to District #6 would add 4390.9 acres to the district and increase the size of the district to 33,774.24 acres. Part of the reason for the increase can be attributed to the Farmland Protection Board's efforts to identify potential properties and sending letters to the landowners notifying them of their eligibility and the benefits of being in an Agricultural District. Another reason for the increase is more general landowner awareness of the benefits of having their property within an Agricultural District.

NOTE: The 2015 modifications to District #6 include properties added under Section 303-b of Article 25AA since 2007.

2.1.2 The extent to which the district has achieved its original objectives

Farming continues to be the predominant land use in all towns within the district. The Town of Paris while experiencing a significant level of residential development over the past several years continues to have a substantial level of agricultural activity. Threats to continued agricultural production include an increase in residential development along rural roads and low prices for milk and other agricultural products. These factors have led to an overall decline in the amount of capital investment farmers have put into their operations over the past several years.

2.1.3 The extent to which county and local comprehensive plans, policies, and objectives are consistent with and support the district

County Policies

The county adopted a Farmland Protection Plan in 2000. The following three main objectives were outlined in the plan: 1) Agricultural Economic Development- foster an economic climate that supports and promotes the retention and expansion of agricultural businesses within the county; 2) Ag Awareness/Ag Promotion- educate consumers as to the importance of agriculture in today's society, encourage agricultural producers to explore more direct marketing methods and alternative enterprises; and 3) Farmland Protection- to make government, primarily at the town and county level, more sensitive to the needs of agriculture. The county did receive a grant from the New York State Department of Agriculture and Markets in 2015 to update the 2000 Farmland Protection Plan. The new plan should be in place in 2016.

In related efforts, the County adopted a right-to-farm law in January 1998. The County also has an agricultural economic development specialist whose efforts include helping existing farmers stay in business and enabling retiring farmers to sell their land to buyers who will continue to farm the land.

Oneida County does not have a comprehensive plan.

Local Policies

Town of Bridgewater

The Town of Bridgewater, including the Village of Bridgewater (which dissolved in 2014) adopted a comprehensive plan in 1994. The plan notes that there are roughly 4,000 acres in the town devoted to agricultural use (1994). The plan also notes that the zoning classification for the majority of the town is Residential-Agricultural. The plan does not identify any specific goals or objectives relating to agriculture.

Town of Marshall

The Town of Marshall adopted an updated comprehensive plan in 2013. The plan focuses much attention on agriculture and its importance to the town. The plan has several recommendations related to agriculture including: identifying farms that could be receiving an agricultural assessment but aren't and encouraging them to apply for the assessment; encouraging and supporting the New York State Agricultural Districts program; encouraging diversification of agriculture; promoting agri-tourism and small scale agri-businesses; encouraging farmers to consider purchase of development rights as funds at the state level become available.

Town of Paris

The Town of Paris adopted an updated comprehensive plan in 2014. The plan notes that even though the town has seen significant residential development over the past several decades that agricultural is still a vital component of the town and accounts for nearly 54% of the town's total land area. Several Actions are identified within the plan to help preserve the town's agrarian economy. Those Actions include: ensuring that new development does not create conflicts with agricultural operations as part of a review process; focusing development in existing settled areas and hamlets; allow a wide range of farm-based businesses to allow for farmer diversification; increasing awareness of the New York State Agricultural Districts program; evaluating the possibility of creating a purchase of conservation easements program for the conservation of agricultural lands and prime agricultural soils.

Town of Sangerfield

The Town of Sangerfield does not have a comprehensive plan in place at this time. However, the town, working with a consultant, has a draft plan that is expected to be adopted in 2015. Some of the goals of the plan are to support enrollment of properties into OC District #6 and promoting the benefits of having property within a NYS Agricultural District; having the Town Assessor increase awareness of agricultural exemption; updating the town's zoning and subdivision regulations to encourage clustering of residential development of agricultural lands; and making agriculture the primary land use in the town's agricultural zoning districts to clearly indicate support for agricultural operations.

In summary all of the town's in District #6 have a comprehensive plan in place and all of the plans note the importance of agriculture within their town, especially the town of Marshall.

- 2.1.4 The degree of coordination between local laws, ordinances, rules and regulations that apply to farm operations in such district and their influence on farming.

Town of Bridgewater

The Town of Bridgewater has zoning regulations in effect. Lands within District #6 are zoned Rural -Agricultural (R-A). The purpose of the R-A District is to “insure the availability of land and prevent undue penetration of urban development into agricultural districts because residential use districts may not be compatible with the continued farming practices now enjoyed in the Town of Bridgewater.” Farms and farm buildings for related agricultural activities, pastures, orchards, tree nurseries, and reforestation areas are identified as permitted uses within the R-A District.

Town of Marshall

The Town of Marshall has zoning regulations in effect. Lands within District #6 are zoned Agricultural (A). Farms, nurseries, truck gardens, and other usual agricultural operations, including accessory buildings and uses are identified as permitted by right uses within the A District. The term “other usual agricultural operations” is not defined. It is anticipated that the zoning regulations adopted in 2002 will be updated in the near future to reflect the goals and objectives of the 2013 comprehensive plan.

As part of the town’s commitment to preserving agriculture, the Town of Marshall also adopted a Right to Farm Law in 1997. The law establishes the right of existing agricultural operations to continue their operations and supports their expansion. The law also encourages new operations and supportive agricultural businesses. Finally the law also requires notice to prospective nonresidential landowners that they are near a farm operation and that operation has the right to continue to operate. They are the only town in Oneida County that has a Right to Farm Law in place.

Town of Paris

The Town of Paris has zoning regulations in effect. The majority of lands within District #6 are zoned Agriculture and Residential (AR). However there are a few parcels that are zoned Residential (R). Agriculture, greenhouses, plant nurseries, and commercial horse boarding are allowed within the AR District by right provided they are within a NYS Agricultural District. If any of these are not within a NYS Agricultural District then they must go through the town’s site plan review process. Riding academies are allowed within the AR District after site plan review. Agriculture is permitted by right within the R District if the property is within a NYS Agricultural District. However, greenhouses, plant nurseries, commercial horse boarding, and riding academies are not permitted within the R District, even if they

are within a NYS Agricultural District. This prohibition could be in conflict with NYS Agriculture and Markets Law.

Town of Sangerfield

The Town of Sangerfield has zoning regulations in effect. Lands within District #6 are zoned Agricultural-Residential (A-R). The A-R District allows farms and farm buildings, pastures, orchards, nurseries, and one & two family dwellings for hired hands as permitted principal uses. Roadside stands and farm buildings are permitted accessory uses.

Village of Waterville

There are a few parcels in District #6 that are within the Village of Waterville. Customary agricultural operations are permitted in the R-1 District, provided that no odors are produced and/or dust producing substances are used within one hundred (100) feet of any property line.

3. **RECOMMENDATION TO CONTINUE, TERMINATE, OR MODIFY DISTRICT**

The Oneida County Agricultural & Farmland Protection Board recommends that Agricultural District #6 be modified to include the 261 landowners and 33,774.24 acres of farmland shown on the attached list. It is further recommended that the Oneida County Board of Legislators renew the district, as modified, for an additional eight-year period, and forward the modified district to the NYS Commissioner of Agriculture and Markets for approval and recertification.

Dear County Executive Picente:

The County Clerk's Office is in the process of implementing the E-Filing program in early 2016. In order to be ready the County Clerk contracted Info Quick Solutions to help scan, verify and load court records into the system so that the project could start on time.

The County Clerk's Office received a bill from Info Quick Solutions for services rendered, this expense was not originally planned for when putting together the 2015 Budget. Some of the benefits of E-Filing are the County Clerk will no longer have to retain paper files, mail costs will be reduced, service of papers will be electronic between clerk and court, etc.

Fortunately, there are still funds available in the contingency to cover this unanticipated cost which was necessary to ensure implementation of the new E-Filing program in a timely manner.

I therefore request your Board's approval of the following 2015 transfer for the General Fund:

TO:
 AA# A1410.4951 County Clerk/Registrar – Other Expenses.....\$12,650.00

FROM:
 AA# A1998.1992 Budget/Special Items – Contingency.....\$12,650.00

Thank you for your consideration of this piece of legislation.

Respectfully submitted,

Re: Request to Create Position
Sr. Office Specialist I

Dear John:

For some years we have had a secretarial position through Staff Leasing and funded through our A1170.195 account – Other Fees & Services. From our discussion on Wednesday, October 21, 2015, it is my understanding that as of January 1, 2016 we will have to discontinue using temp agencies for any positions extending beyond ninety (90) days. The person presently holding the position paid through Staff Leasing is the only secretary assigned to our Violent Crimes Section and processes all of the cases assigned to the four attorneys in that section. Needless to say, that section is very busy and it would be extremely difficult for that section to operate without full-time secretarial assistance. Given the extremely short time we have until year's end and the time it takes to adequately train someone to competently complete the work required, I am asking that this request be expedited to insure we have time to hire and train a new employee.

Therefore, I am requesting the creation of an additional position of Sr. Office Specialist I to be funded by the current appropriation included in our A1170.195 account. Should you have any questions or concerns pertaining to this request, please do not hesitate to contact me.

Sincerely,

Frank J. Nebush, Jr.

AGREEMENT

STATE OF NEW YORK
AGREEMENT

This AGREEMENT is hereby made by and between the State of New York agency (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.

VI. Safeguards for Services and Confidentiality

A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

B. Funds provided pursuant to this AGREEMENT shall not be used for any partisan political activity, or for activities that may influence legislation or the election or defeat of any candidate for public office.

C. Information relating to individuals who may receive services pursuant to this AGREEMENT shall be maintained and used only for the purposes intended under the contract and in conformity with applicable provisions of the laws and regulations, or specified in Appendix A-1.

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State

citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State

agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict

with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

14. **GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. **LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a

contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

APPENDIX A1

AGENCY-SPECIFIC CLAUSES

1. If this Agreement exceeds \$50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at:

http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.
2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.
3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.
4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The

Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;

- Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

- OMB Circular A 21, Cost Principles for Educational Institutions;
- OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

- OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
- OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
- OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or

she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

APPENDIX C

PAYMENT AND REPORTING SCHEDULE

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.
4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/forms.htm>). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.
5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.
6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Financial Services
80 S. Swan St.
Albany, NY 12210

7. Payment Schedule

PAYMENT PAYMENT DUE DATE

DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports showing grant expenditures and/or obligations for each quarter of the grant must be submitted by the last day of the month after the last day of the reporting period.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.

VI Safeguards for Services and Confidentiality

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as

suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment

activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.
2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.
3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative

agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.

3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement

process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter
Report Due

January 1 - March 31
April 30

April 1 - June 30
July 31

July 1 - September 30
October 31

October 1 - December 31
January 31

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly

to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in

any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

3	Part-time Assistant District Attorney (25% of \$35,000)	1	\$8,750.00	\$8,750.00	\$8,750.00	\$0.00
Justification: This project will require the undivided attention of an additional Assistant District Attorney. We are proposing that we hire a part-time ADA under the grant in order to keep the cost of said position to a minimum. The approximate cost of a part-time ADA will be \$35,000 plus \$3,535 in fringe benefits for the one year appointment. This ADA will be tasked with the management of the project from investigation through the prosecution stage which will include the drafting of any search warrants, subpoenas, accusatory instruments, and/or indictments. The part-time ADA will allocate 100% of their time to CARP projects only.

#	Rental of Facilities	Number	Unit Cost	Total Cost	Grant Funds	Matching Funds

1	User Fee for Economic Crime Lab (for 3 months)	1	\$6,250.00	\$6,250.00	\$6,250.00	\$0.00
Justification: In order to facilitate the project, we will need to use the Economic Crime Lab at Utica College. Up until now, the College has allowed us to use the facility rent free. We have used the facility on a very limited basis. However, since the scope of this project will require extensive use of the facility and their computer equipment, we are being asked to compensate them. Utica College has been an extraordinary partner over the last few years and we wish to maintain that partnership. Our payment of the user fee to Utica College would allow us to share the Economic Crime Lab as an available resource to other counties at a reduced cost or no cost. With the addition of the number of personnel, we have no room to house the project in our office. So, it is a necessary expense. Utica College is requesting \$25,000 for use of the facility and equipment for year. It should also be noted that the use of the lab allows us access to their link analysis software which the interns are trained to use. Otherwise, Analyst's Notebook is an expensive link analysis software which costs approximately \$48,000 to purchase two licenses for all of the necessary components.						
Total				\$6,250.00	\$6,250.00	\$0.00

#	All Other Expenses	Number	Unit Cost	Total Cost	Grant Funds	Matching Funds
1	Intern Stipends for last quarter of the grant period (10/1/15 - 12/31/15)	4	\$1,250.00	\$5,000.00	\$5,000.00	\$0.00
Justification: Particularly, we would like to compensate the Economic Crime Interns who would work on this project. Normally, we have not compensated them other than the college credits they may receive from time to time. This presents some challenges for us. First, semesters are only four months long and it takes us approximately 30 to 45 days to train an intern to do the job in the manner which we prefer. So, we end up with a very short retention window. Some interns only serve for six weeks because they only need six credits. Turnover has been a huge problem with lack of continuity between semesters. This presents a particular challenge for our auditor, who works closely with the interns to input and analyze massive amounts of data. This project alone will require a twelve month commitment. We have had some very good interns over the years but we have had some students choose paid internships over us. Ultimately, those are the students with the highest level of ability. It is our belief that by compensating them at \$10 per hour will allow us to attract and retain the cream of the crop from the Economic Crime Program. Depending upon the number of qualified interns we are able to hire, the number of hours may vary. For this project, we will seek a minimum of four interns to work 10 hours per week for the one year period (4 interns x 10 hrs. per week x 50 weeks = 2,000 total hours at \$10 per hour for a total of \$20,000). (25% for last quarter only)

APPENDIX C

PAYMENT AND REPORTING SCHEDULE

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. AGREEMENT

STATE OF NEW YORK

AGREEMENT

This AGREEMENT is hereby made by and between the State of New York agency (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.

VI Safeguards for Services and Confidentiality

A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status; shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

APPENDIX A1

AGENCY-SPECIFIC CLAUSES

1. If this Agreement exceeds \$50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$50,000 or less, it shall not take effect until it is executed by both parties.
2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.
3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.
4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.
5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.
6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.
7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.
2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.
3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative

agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.

3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement

process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter
Report Due

January 1 - March 31
April 30

April 1 - June 30
July 31

July 1 - September 30
October 31

October 1 - December 31
January 31

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly

to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in

any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

2. Spreadsheets containing information collected in each intelligence gathering session and written summaries of implications for strategy development and/or refinement.

2	SOS Focused Deterrence Community Facilitators	1	\$2,400.00	\$2,400.00	\$2,400.00	\$0.00
---	---	---	------------	------------	------------	--------

Justification: The SOS Program Director, police and prosecutors, will be joined by key *civilian* members of the community from community organizers to clergy to reformed ex-offenders, making up the SOS Focused Deterrence Team for call-ins. In appreciation of the commitment required for call-ins to be successful and engage the community members with the most impact, we have proposed a stipend in the amount of \$50 for each call-in session, and budgeted for two community members per call-in, at an estimated frequency of every other week.

---	--	---	-------------	-------------	-------------	--------

Justification: With a full-time gun crime analyst working on-site at the Utica Police Department, the Institute will continue to provide analysis, including:
- improving the quality and quantity of gun and gang related data;
- analysis of gun and gun-related activity, including, but not limited to, spatial analysis;
- generating the "key offender" list;
- preparing daily briefings for distribution to internal and external law enforcement personnel;
- analysis to support performance management of GIVE strategies;
- responding to ad hoc requests for information/intelligence that supports gun investigations and the work of the gun field intelligence officer;
- collating and analyzing information from field contacts, arrest debriefings, and other sources to further understanding of shootings and gun crime;
- other analysis in support of law enforcement efforts to address shootings;
- presenting data at monthly GIVE task force meeting and monthly Law Enforcement Coalition meeting; and
- analytical support to the on-site analyst.

1	Camera System	1	\$25,000.00	\$25,000.00	\$25,000.00	\$0.00
Justification: Funds are for the expansion and upgrade of our existing surveillance camera system. Crime Analysis shows that gun crimes have migrated heavily to the west side of Utica and cameras will have the strongest deterrent effect and investigative utility in that area. A wireless site survey was conducted for the 12 locations crime analysis tells us cameras will be most effective and a detailed work plan and quote was provided (attached) for the necessary hardware, software and labor to complete the installation. The project requires not just a dozen additional cameras, but creation of a wireless point-to-multi-point connection as none exists in that sector of the city. Further, an upgraded server and storage capability is required to handle recording of the sizeable increase in incoming data. Recognizing this is a sizeable project, we have split the funding request into two equal phases to begin construction this year and finalize with an equal, second funding request next year.

The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph E of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. Contractors shall complete the Local Assistance MWBE Equal Employment Opportunity Staffing Plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the contract.

D. Workforce Employment Utilization Report

1. Once a contract has been awarded and during the term of Contract, Contractor is responsible for updating and providing notice to the DCJS of any changes to the previously submitted Local Assistance MWBE Equal Employment Opportunity Staffing Plan. This information is to be submitted annually or as otherwise required by the DCJS during the term of the contract, for the purpose of reporting the actual workforce utilized in the performance of the contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Local Assistance MWBE Workforce Employment Utilization Report form must be used to report this information.
2. Separate forms shall be completed by Contractor and any Subcontractor performing work on the Contract.
3. In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor's and/or subcontractor's total workforce. When a separation can be made, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the contract cannot be separated out from Contractor's and/or subcontractor's total workforce, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided is Contractor's total workforce during the subject time frame, not limited to work specifically under the contract.

E. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and

constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

A. The Contractor represents and warrants that Contractor has submitted a Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form either prior to, or at the time of, the execution of the contract.

B. Contractor agrees to use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in the contract workplan.

C. Contractor further agrees that a failure to submit and/or use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DCJS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

IV. Waivers

A. If the DCJS, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the DCJS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. MWBE Subcontractor Utilization Quarterly Report

Contractor is required to report MWBE Subcontractor utilization, as part of the quarterly claim process, to the DCJS by the last day of the month following the end of each calendar quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

VII. Liquidated Damages - MWBE Participation

A. Where DCJS determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DCJS may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

B. Such liquidated damages shall be calculated as an amount equaling the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DCJS, Contractor shall pay such liquidated damages to the DCJS within sixty (60) days after they are assessed by the DCJS unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Woman Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of the DCJS.

- (e) This organization will include the provisions of sections (a) through (d) of this agreement in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the State contract.

Contractor agrees to comply with all MWBE and EEO contract goals reflected on the MWBE Utilization Plan and Staffing Plan respectively, that have been submitted with the application for this contract. .

Re: Sub License Agreement – City of Utica

Dear County Executive Picente:

The Sheriff's Office is requesting approval for a Sub License Agreement with the City of Utica for the use of the Small Arms Range at Griffiss International Airport. The Board of Legislators approved a License Agreement in June of 2014 with Griffiss Local Development Corporation (GLDC) for the use of the range. The License Agreement also allows the County to enter into Sub License Agreements with other municipalities for the training of certified police officers. There are no county funds in this Agreement.

This Sub License Agreement requires Board approval at the Board's next meeting date.

If you find the enclosed contract acceptable, I am requesting your approval by way of signature. I would like to thank you for your time and diligent attention to this matter in advance. If you have any questions, require clarification or seek additional information from me in order to help you make a decision regarding my request, please do not hesitate to contact me at any point in time.

Very truly yours,

Robert M. Maciol

SUBLICENSE AGREEMENT

THIS SUBLICENSE AGREEMENT (this "Agreement"), dated as of _____, 2015 (the "Effective Date"), is by and between COUNTY OF ONEIDA, a New York municipal corporation, having an office at the County Office Building, 800 Park Avenue, Utica, New York 13501 (the "Sublicensor") and CITY OF UTICA, a New York municipal corporation, having an office at City Hall, One Kennedy Plaza, Utica, New York 13502 (the "Sublicensee").

RECITALS:

WHEREAS, Griffiss Local Development Corporation ("GLDC"), as Licensor, and Sublicensor, as Licensee, entered into a License Agreement dated as of September 25, 2013 (the "License Agreement"); and

WHEREAS, pursuant to the License Agreement, GLDC granted Sublicensor the non-exclusive license, privilege and permission to enter upon, use, repair and maintain the Small Arms Range (the "Licensed Premises") situate at the former Griffiss AFB, Rome, New York for the purposes therein specified; and

WHEREAS, Sublicensee has requested that Sublicensor grant unto Sublicensee the non-exclusive sublicense, privilege and permission to enter upon, use, repair and maintain the Licensed Premises, and Sublicensor is willing to do so upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, and in accordance with Article 5-G of the General Municipal Law, the parties agree as follows:

1. **Grant of Sublicense.** Subject to the terms and provisions of the License Agreement and this Agreement, Sublicensor hereby grants to Sublicensee the non-exclusive sublicense, privilege and permission to enter upon, use, repair and maintain the Small Arms Range (the "Sublicensed Premises") situate at the former Griffiss AFB, Rome, New York, for the sole purpose of firearms training by those of Sublicensee's officers and employees who are "police officers" within the meaning of Section 1.20(34) of the Criminal Procedure Law and whose right to carry firearms has not been suspended or terminated (collectively, "Sublicensee's Authorized Personnel"). The Sublicensed Premises are depicted on the map attached hereto and made a part hereof as **Exhibit A.**

2. **Sublicensor's Use of Sublicensed Premises.** Oneida County Industrial Development Agency ("OCIDA"), GLDC and Sublicensor and their respective officers, agents, employees, contractors and other representatives, may enter upon the Sublicensed Premises, at all times and for any purpose, including the inspection thereof, and Sublicensee shall have no claim on account of such entries against OCIDA, GLDC or Sublicensor or any of their respective officers, agents, employees, contractors or other representatives.

3. **Conditions of Use by Sublicensee.** As and for a condition of use, Sublicensee and its Authorized Personnel shall be required to show, upon request of Sublicensor or its designee, a municipal/government identification badge and proof that the individual is licensed to carry and/or discharge a firearm. All Authorized Personnel shall be required to have on site or request a Department of Criminal Justice Services (DCJS) certified firearms instructor, who shall be present at all times. The cost of the firearms instructor shall be the responsibility of Sublicensee. All Authorized Personnel shall be required to read, in advance, the rules and regulations for the use of the Licensed Premises and agree to be bound by same. Sublicensor shall have the right, in its sole discretion, to deny access to, or to terminate use by any individual or individuals for any reason, at any time.

4. **Hours of Operation.** The Licensed Premises are secured by a locked perimeter fence and are NOT open to the public. Sublicensee and/or its Authorized Personnel shall NOT have unlimited access to the Licensed Premises. There are no set hours of operation. Arrangements for the use of the Licensed Premises shall be made by Sublicensee and/or its Authorized Personnel, as the case may be, by providing reasonable advance notice, preferably in writing, to the Oneida County Sheriff's Office and/or its designee, who shall be responsible for providing access to the Licensed Premises and thereafter securing the Licensed Premises upon completion of use.

5. **Duration of Sublicense.** This Agreement (including the sublicense granted hereby) is revocable at any time by either Sublicensor or Sublicensee provided that the revoking party gives the non-revoking party at least three (3) days' prior written notice of the date that such revocation becomes effective.

6. **No Representations.** Sublicensee acknowledges that it has inspected and knows the condition of the Sublicensed Premises. It is understood that the Sublicensed Premises are sublicensed to Sublicensee (a) subject to all easements, rights of way, covenants, conditions and restrictions of record including, without limitation, those set forth in that certain Quitclaim Deed from the United States of America, acting by and through the Secretary of the Air Force to OCIDA dated July 27, 2011 and recorded on September 30, 2011 in the Oneida County Clerk's Office as Instrument No. 2011-014461 and (b) "AS IS, WHERE IS" and "WITH ALL FAULTS", and without any representation or warranty by Sublicensor, express or implied, and without any obligation on the part of Sublicensor.

7. **Protection of Sublicensed Premises.** Sublicensee shall, at all times, protect, repair and maintain the Sublicensed Premises in good order and condition at its expense and without cost or expense to the Sublicensor. Sublicensee shall exercise due diligence in protecting the Sublicensed Premises against entry by unauthorized persons and against damage or destruction by fire, vandalism, theft, weather or other causes.

8. **Weapons Safety Rules; Range Safety Officer.** Sublicensor and/or its designee has adopted weapons safety rules to govern firearms training activities at the Licensed Premises and Sublicensee and its Authorized Personnel acknowledge and agree that they are familiar with such rules and agree to be bound thereby. In addition, at all times while the Sublicensed Premises are in use for firearms training (whether by Sublicensee and/or any of Sublicensee's Authorized

Personnel) Sublicensor shall provide a duly qualified range safety officer (“RSO”) to supervise and oversee such firearms training activities of Sublicensee and/or Sublicensee’s Authorized Personnel. Without limiting the generality of the foregoing, the RSO shall be responsible for making sure that all weapons safety rules are followed at all times. Sublicensee agrees to reimburse the Sublicensor the cost of the RSO at the rate of Twenty-Five and No/100 (\$25.00) per hour, which rate is subject to change.

9. **Damage to Sublicensed Premises.** Sublicensee shall, at its expense, promptly repair or replace to the satisfaction of Sublicensor, any OCIDA, GLDC or Sublicensor property damaged or destroyed by Sublicensee or any of Sublicensee’s Authorized Personnel. Alternatively, if required by OCIDA, GLDC or Sublicensor, Sublicensee shall pay to OCIDA, GLDC or Sublicensor, as the case may be, money in an amount sufficient to compensate for the loss sustained by OCIDA, GLDC or Sublicensor, as the case may be, by reason of damage to or destruction of such OCIDA, GLDC or Sublicensor property.

10. **Risk of Loss, Indemnification and Insurance.** As between the parties to this Sublicense Agreement, neither OCIDA, GLDC nor Sublicensor shall be responsible for damages to property or injuries or death to persons which may arise from or be incident to the exercise of the privileges granted under or pursuant to this Agreement, or for damages to the property of Sublicensee, or for damages to the property or injuries to the person of any of the Sublicensee's Authorized Personnel, arising from any activities on the Sublicensed Premises, unless such damages were caused by the sole negligence and/or willful misconduct of OCIDA, GLDC or Sublicensor or their respective officers, directors, members, agents, employees, contractors or other representatives.

(a) Sublicensee agrees to assume all risks of loss or damage to property and injury or death to persons by reason of the use and occupation of the Sublicensed Premises by Sublicensee and/or Sublicensee’s Authorized Personnel and will settle and pay any claims arising out of such use and occupation of the Sublicensed Premises, unless such loss or damage was caused by the sole negligence and/or willful misconduct of OCIDA, GLDC or Sublicensor or any of their respective officers, directors, members, agents, employees, contractors and other representatives. Sublicensee expressly waives all claims against OCIDA, GLDC and Sublicensor and their respective officers, directors, members, agents, employees, contractors and other representatives, for any such loss, damage, personal injury or death caused by or occurring as a consequence of the conduct of activities or the performance of responsibilities under or pursuant to this Agreement, unless such loss, damage, personal injury or death was caused by the sole negligence and/or willful misconduct of OCIDA, GLDC or Sublicensor or their respective officers, directors, members, agents, employees, contractors and other representatives.

(b) To the fullest extent permitted by applicable law, Sublicensee (the “Indemnifying Party”) shall indemnify and hold harmless, and at OCIDA’s, GLDC’s or Sublicensor’s option, defend, OCIDA, GLDC and Sublicensor, and their respective officers, directors, members, agents, employees, contractors and other representatives (each, individually, an “Indemnified Party” and, collectively, the “Indemnified Parties”), from and against any and all liabilities, damages, losses, costs, expenses (including, without limitation, any and all reasonable attorneys' fees and disbursements), causes of action, suits, liens, claims, damages, penalties,

obligations, demands or judgments of any nature, including, without limitation, for death, personal injury and property damage, economic damage, and claims brought by third parties for personal injury and/or property damage (collectively, "Damages"), incurred by any Indemnified Party caused by any negligent act or omission, or intentional misconduct of the Indemnifying Party, its officers, agents, employees (including Sublicensee's Authorized Personnel) arising out of or in connection with the exercise by Sublicensee or any of Sublicensee's Authorized Personnel of the rights and privileges granted by or pursuant to this Agreement, except to the extent such Damages are caused by the sole negligence, unlawful act or omission, or intentional misconduct of an Indemnified Party. The provisions of this Section 8(b) shall survive the revocation, expiration or other termination of this Agreement.

(c) Sublicensee shall obtain and maintain, and cause each of its sub-sublicensees to obtain and maintain, during the term of this Agreement insurance for the Sublicensed Premises against such risk and for such amounts as are customarily insured against by businesses of like size and type, including, but not limited to, the following coverages with the following limits of coverage:

(i) claims for personal injury or property damage including premises, operations, products and completed operations coverage, under a policy of Commercial General Liability insurance with a combined single limit per occurrence in respect of bodily injury, disease and death and property damage (including, to the extent such insurance is reasonably available therefor, environmental damage) of not less than \$2,000,000, and an aggregate limitation of not less than \$4,000,000, which insurance shall include contractual liability insurance, and worker's compensation insurance with the limits required by law. All insurance shall be written by companies licensed to do business in the State of New York and otherwise reasonably satisfactory to Sublicensor, GLDC and OCIDA with a Best's rating of A or better and financial size category of at least Class VII, or such higher standard as Sublicensor, GLDC and OCIDA shall reasonably require. Deductibles and terms and conditions of such insurance shall be subject to Sublicensor's, GLDC's and OCIDA's reasonable approval. All policies and certificates of insurance shall state that the carrier cannot cancel or refuse to renew or create a material reduction of coverage without giving Sublicensor, GLDC and OCIDA at least thirty (30) days' prior written notice. To the extent commercially available, such liability insurance shall include contractual liability coverage for the indemnification requirements set forth in Section 8(b) hereof. The general liability insurance shall name Sublicensor, GLDC and OCIDA as additional insureds, on a primary and non-contributory basis, as their interests may appear (or loss payees in the case of property insurance). Sublicensee shall furnish, and cause each of its sub-sublicensees to furnish, Sublicensor, GLDC and OCIDA with certificates of insurance or other proof satisfactory to Sublicensor, GLDC and OCIDA that Sublicensee and each such sub-sublicensee, as the case may be, is maintaining the aforesaid insurance coverages.

(d) Notwithstanding the provisions of Section 8(c) above, Sublicensee shall have the right to self-insure for the insurance required above, subject to:

(i) "Self-insure" shall mean that Sublicensee is itself acting as though

it were the insurance company providing the insurance required under the provisions hereof and Sublicensee shall pay any amounts due in lieu of insurance proceeds because of self-insurance, which amounts shall be treated as insurance proceeds for all purposes under this Agreement.

(ii) All amounts which Sublicensee pays or is required to pay and all loss or damages resulting from risks for which Sublicensee has elected to self-insure shall not limit Sublicensee's indemnification obligations set forth herein.

(e) In the event that Sublicensee elects to self-insure and an event or claim occurs for which a defense and/or coverage would have been available from the insurance company, Sublicensee shall:

(i) at the option of GLDC, OCIDA or Sublicensor undertake the defense of any such claim, including a defense of GLDC, OCIDA and Sublicensor, at Sublicensee's sole cost and expense, and

(ii) use its own funds to pay any claim or replace any property or otherwise provide the funding which would have been available from insurance proceeds but for such election by Sublicensee to self-insure.

(f) In the event that Sublicensee elects to self-insure, Sublicensee shall provide Sublicensor with certificates of self-insurance specifying the extent of self-insurance coverage hereunder and containing a waiver of subrogation provision reasonably satisfactory to Sublicensor.

11. **Alteration/Improvement of Sublicensed Premises.** No addition to or alteration or improvement of the Sublicensed Premises shall be made by Sublicensee without the prior written consent of OCIDA, GLDC and Sublicensor.

12. **Utility Services at Sublicensed Premises.** Sublicensee will reimburse Sublicensor, within ten (10) days after billing, for any utilities and other services which are furnished to the Sublicensed Premises during those periods of time that Sublicensee and/or any of Sublicensee's Authorized Personnel are using the Sublicensed Premises. Sublicensee acknowledges and agrees that neither OCIDA, GLDC nor Sublicensor is under any obligation to furnish any utilities or services to the Sublicensed Premises.

13. **No Waiver.** The failure of either party to insist on the performance of any of the terms and conditions of this Agreement, or the waiver of any breach of any of the terms and conditions of this Agreement, shall not be construed as waiving any such terms and conditions, but shall continue and remain in full force and effect as if no such waiver had occurred.

14. **No Landlord-Tenant Relationship.** It is declared between the parties that it is not the intention of either Sublicensor or Sublicensee to create between them the relationship of landlord and tenant or to confer any rights on Sublicensee that would amount in law to a landlord-tenant relationship.

15. **Partial Invalidity.** The invalidity of any portion of this Agreement will not and shall not be deemed to affect the validity of any other provision.

16. **Paragraph Headings.** The titles to the paragraphs of this Agreement are solely for the convenience of the parties and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this Agreement.

17. **Notices.** Any notice provided for or concerning this Agreement shall be in writing and shall be deemed sufficiently given when sent by registered or certified mail, return receipt requested, if sent to the respective address of each party as set forth at the beginning of this Agreement.

18. **Modification of Agreement.** Any modification of this Agreement or additional obligation assumed by either party in connection with this Agreement shall be binding only if evidenced in writing signed by each party or an authorized representative of each party.

19. **Attorney's Fees.** In the event that any action or proceeding arising out of or with respect to this Agreement is commenced by Sublicensor, Sublicensee will pay all of Sublicensor's costs and expenses in connection herewith including, but not limited to, Sublicensor's reasonable attorneys' fees, expert witness fees and all other costs, including all such costs with respect to any appellate proceedings or any proceedings in bankruptcy.

20. **Assignments/Sublicenses.** Notwithstanding anything to the contrary contained in this Agreement, Sublicensee shall not assign, sublicense or otherwise transfer its rights under this Agreement to any other person or entity without OCIDA's, GLDC's and Sublicensor's prior written consent, which consent may be withheld, conditioned or delayed in their sole and unfettered discretion.

21. **Expenses.** All expenses arising out of this Agreement shall be paid by Sublicensee.

22. **Governing Law.** This Agreement shall be governed by and construed in accordance with the law of the State of New York, exclusive of its choice of law rules and principles.

23. **Sublicense.** Notwithstanding anything to the contrary contained in this Agreement, this Agreement is a sublicense and is subject to the terms and provisions of the License Agreement, except as may be otherwise expressly and specifically set forth herein.

24. **Entire Agreement.** This Agreement (and the exhibits thereto) contains all the representations and the entire agreement between the parties with respect to the subject matter of this Agreement. Any prior correspondence, memoranda or agreement are superseded in total by this Agreement (including the exhibit thereto).

DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES
GRANT CONTRACT**

APPENDIX A-1

The Contract is hereby made by and between the State of New York, acting by and through the New York State Division of Homeland Security and Emergency Services (DHSES or State Agency) and the public or private entity ('Contractor' or 'Subrecipient') identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL TERMS AND CONDITIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the Offices of the State Comptroller and Attorney General where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Appendix C (Payment and Reporting Schedule).

C. **Contract Parts:** This Contract incorporates the face pages attached, this Appendix and all of the marked Appendices identified on the face page hereof.

D. **Order of Precedence:** In the event of a conflict among (i) the terms of the Contract (including any and all Appendices and amendments) or (ii) between the terms of the Contract and the original request for proposal, the program application or other Appendix that was completed and executed by the Contractor in connection with the Contract, the order of precedence is as follows:

1. Appendix A-1¹
2. Modifications to the Face Page
3. Modifications to Appendices B, C and D

6. Other attachments, including, but not limited to, the request for proposal or program application

E. **Governing Law:** This Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

F. **Funding:** Funding for the entire Contract Period shall not exceed the funding amount specified as 'Funding Amount for the Initial Period' on the Face Page hereof or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Appendix B form (Budget).

G. **Contract Period:** The period of this Contract shall be as specified on the face page hereof.

H. **Contract Performance:** The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. I. **Modifications:** To modify the Contract, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in the term, is subject to the approval of the NYS Office of the State Comptroller. Any other modifications shall be processed in accordance with DHSES guidelines as stated in this Contract.

J. **Severability:** Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

K. **Interpretation:** The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein.  5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

- P. Non-Assignment Clause:** In accordance with Section 138 of the State Finance Law, the Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of DHSES and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains

its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

Q. Legal Action: No litigation or regulatory action shall be brought against the federal government, the State of New York, DHSES or against any county or other local government entity with the funds provided under the Contract. The term 'regulatory action' shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

R. No Arbitration: Disputes involving the Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

S. Secular Purpose: Services performed pursuant to the Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

T. Partisan Political Activity and Lobbying: Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

U. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.²

V. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the federal False Claims Act, the New York State False Claims Act and whistleblower protections.

W. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

X. Federally Funded Grants: All of the specific federal requirements that are applicable to the Contract are identified in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that section V (FEDERALLY FUNDED GRANT REQUIREMENTS) conflict with any other provisions of the Contract, the federal requirements of Section V shall supersede all other provisions of the Contract where required.

Y. The Contractor must meet the program objectives summarized in the Program Work Plan and Special Conditions (Appendix D) to the satisfaction of DHSES in accordance with provisions of the Contract, relevant laws, rules and regulations, administrative and fiscal guidelines and, where applicable, operating certificates for facilities or license for an activity or program.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ('Unusual Circumstances'), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, 'Unusual Circumstances' shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b. Notification to the not-for-profit Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

C. Termination:

1. Grounds:

a. Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b. Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Contract.

c. Non-Responsibility: In accordance with the provisions of this Contract, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

d. Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e. Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at DHSES's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to DHSES for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the

State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f. **Force Majeure:** The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure'. For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

a. **Service of notice:** Written notice of termination shall be sent by:

- i. personal messenger service; or
- ii. certified mail, return receipt requested and first class mail.

b. **Effective date of termination:** The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

- i. if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or
- ii. if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. Effect of Notice and Termination on State's Payment Obligations:

- a. Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.
- b. The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Contract after its termination date.

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

- a. the repayment to the State of any monies previously paid to the Contractor; or
- b. the return of any real property or equipment purchased under the terms of the Contract; or
- c. an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. **Suspension:** The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.
4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. 7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, 'Full Execution' shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event. Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Appendix C (Payment and Reporting Schedule). DHSES shall make milestone payments subject to the Contractor's satisfactory performance.

e. **Fee for Service Reimbursement:**⁴ Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

7. All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

Disclosure of this information by the seller or lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

V. FEDERALLY FUNDED GRANT REQUIREMENTS

A. Hatch Act. The Contractor agrees, as a material condition of the Contract, to comply with all applicable provisions of the Hatch Act (5 U.S.C. 1501 et seq.), as amended.

B. Requirement for System of Award Management: Unless you are exempted from this requirement under 2 CFR 25.110, you as the subrecipient must maintain the currency of your information in the System of Award Management (SAM) until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term. Pursuant to section 2 CFR §200.210(a)(2), Contractors must maintain a current unique entity identifier prior to and during the life of the Contract.

C. In accordance with 2 CFR §§200.112 and 200.113, Contractor understands and agrees that it must: (1) disclose in writing any potential conflict of interest to DHSES; and (2) disclose, in a timely manner, in writing to DHSES all violations of federal and state criminal law involving fraud, bribery, or gratuity violations potentially affecting the grant award. Failure to make required disclosures can result in any remedy available to DHSES for Contractor's noncompliance, including suspension or debarment.

D. The Contractor must ensure that, for all contracts entered into by the Contractor, the contract provisions required by 2 CFR §200.326 (and Appendix II to 2 CFR Part 200) are included in such contracts. The Contractor further agrees to impose and enforce this requirement for any Contractor subaward agreements.

E. Where advance payments are approved by DHSES, the Contractor agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B. The advanced funds must be placed in an interest-bearing account and are subject to the rules outlined in 2 CFR Part 200, (Uniform Administrative Requirements for Grants and Cooperative Contracts to State and Local Governments) which require Contractors to promptly remit back to the federal government, through New York State Division of Homeland Security and Emergency Services, any interest earned on these advanced funds. The Contractor may keep interest earned up to \$500 per federal fiscal year for administrative expenses. This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

F. Audit Requirements. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements; maintenance of accurate and

reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable federal, State, and DHSES guidelines.

G. Equipment Markings. The Contractor further agrees that, when practicable, any equipment purchased with grant funding shall be prominently marked as follows: 'Purchased with funds provided by the U.S. Department of Homeland Security.'

H. Administrative, Cost and Audit Requirements: The Contractor must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements. Failure to do so may result in disallowance of costs upon audit. A list of regulations and guidance applicable to United States Department of Homeland Security (DHS) grants are listed below:

1. General Administrative Requirements:

a. 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

2. Cost Principles:

a. 2 CFR Part 200, Subpart E

3. Audit Requirements:

a. 2 CFR Part 200, Subpart F

I. Contracting with small and minority firms, women's business enterprise and labor surplus area firms.

1. Consistent with 2 CFR §200.321, the grantee and any subgrantees will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

2. Affirmative steps must include:

- a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
- e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in subsections (2)(a) through (e) of this section.

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

L. Single Audit Requirements: For audits of fiscal years beginning on or after December 26, 2014, recipients

that expend \$750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of GAO's Government Auditing Standards, located at <http://www.gao.gov/govaud/ybk01.htm>, and the requirements of Subpart F of 2 C.F.R. Part 200, located at <http://www.ecfr.gov/cgi-bin/text-idx?SID=63811dc3410c008e2f8e28c325cdc09e&mc=true&node=sp2.1.200.f&rqn=div6>.

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend \$500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's Government Auditing Standards, located at <http://www.gao.gov/govaud/ybk01.htm>, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, located at https://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf.

The final report for such audit must be completed within nine months of the end of the Contractor's fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with such grant support.

3. The Contractor shall submit one copy of all reports and publications resulting from this Contract to DHSES within thirty (30) calendar days of completion. Any document generated pursuant to this grant must contain the following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be

taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of \$5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

ENDNOTES:

¹ To the extent that Section V-Federally Funding Grant Requirements conflict with any other provisions of the Contract, the Federal requirements of Section V shall supersede all other provisions of the Contract.

² As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

³ A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

⁴ Fee for Service is a rate established by the Contractor for a service or services rendered.

⁵ Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

⁶ Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

⁷ Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. 2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over \$500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over \$500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a

check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services

Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for HSGP as listed on the Authorized Equipment List (AEL) (<http://www.fema.gov/media-library/assets/documents/101566>).
2. Subrecipients are responsible to request a determination of eligibility from the U.S. Department of Homeland Security (DHS), through DHSES, for any equipment item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS adopted standards to be eligible for purchase using HSGP funds.
3. The New York State Communication Interoperability Plan (SCIP), as well as DHS Grant Guidance for grant funding, requires that all interoperable communications equipment must be on the Authorized Equipment List (AEL) and that the use of APCO P 25 compliant equipment is a recommended technology to achieve emergency interoperable communications.

D. Training & Exercise Related Activities

1. Any non DHS training course to be supported by this award must be submitted in advance to DHSES for written approval.
2. All exercises conducted must be managed and executed in accordance with the Homeland Security Exercise and Evaluation Program (HSEEP). An After Action Report/Improvement Plan (AAR/IP) must be prepared and submitted to DHSES following every exercise, regardless of type or scope. AAR/IPs must conform to the

HSEEP format and must be submitted within 60 days of completion of the exercise.

3. Subrecipients are required to be NIMS compliant. DHSES requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

E. Law Enforcement Requirements

1. Subrecipients that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.

2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.

3. Subrecipients further agree to consult with the NYSIC to ensure agency participation and inclusion in New York State's Field Intelligence Officer (FIO) Program.

F. EHP Requirements

1. Subrecipients shall comply with all applicable federal, State, and local environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).

2. Failure of subrecipients to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize federal funding. Subrecipients shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings. Subrecipients must comply with all conditions placed on the project as the result of the EHP review.

3. Any change to the approved project scope of work will require re evaluation for compliance with these EHP requirements.

4. If ground disturbing activities occur during project implementation, subrecipients must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, such subrecipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office.

5. Any construction activities that have been initiated prior to the full environmental and historic preservation review could result in non compliance finding. For your convenience, the screening form is available at: <http://www.dhSES.ny.gov/grants/eph.cfm>.

G. Equipment Maintenance Requirements

1. Subrecipients must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

H. New York State Emergency Management Certification and Training Program

1. Participation in and successful completion of the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES specified county and

city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.

2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, subrecipients must arrange for DHSES specified subrecipient employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the subrecipient will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day cycle from the date of initial training for previously trained individuals if such person remains employed by the subrecipient and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.

3. Subrecipient must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Subrecipients must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the subrecipient to ensure that it is effective.

4. All subrecipients funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the subrecipient ; and (2) the status of any corresponding subrecipient plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.

5. Additionally, pursuant to Article 26 of the NYS Executive law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man made disasters. WAYS & MEANS

Dear County Executive Picente:

The Sheriff's Office was recently awarded a Grant from the New York State Division of Criminal Justice Services in the amount of \$10,200 under the GIVE project. I am requesting approval of this grant contract.

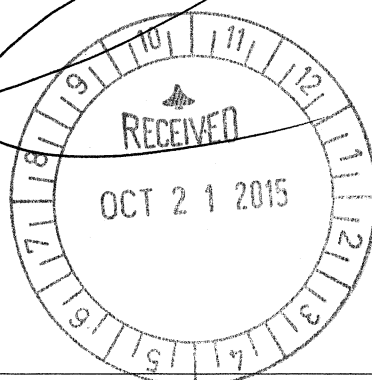

The grant is set to begin July 1, 2015, and end on June 30, 2016. **There are no county dollars in this contract.** The goal of this grant is to assign deputies on an overtime basis, to conduct narcotics operations (involving gun possession), robbery (involving gun monitoring), warrant executions on top offenders, gang monitoring and surveillance, and multi-agency collaborations to reduce shootings and homicides. The Deputies will be assigned to the Gun Violence Strike Team (headed by UPD) and will be utilized in addition to the established multi-agency Emergency Response Team (ERT). Using an average overtime cost of \$50 per hour, the Sheriff's Office will schedule approximately 15-20 hours per month throughout the year.

This Agreement requires Board approval at the Board's next meeting date.

If you find the enclosed grant contract acceptable, I am requesting your approval by way of signature both on paper and by **e-signature in the GMS portal**. I would like to thank you for your time and diligent attention to this matter in advance. If you have any questions, require clarification or seek additional information from me in order to help you make a decision regarding my request, please do not hesitate to contact me at any point in time.

Sincerely,

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the

CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee

hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social

security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. **CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. **GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. **LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. **NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. **SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. **MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State

Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

APPENDIX A1

AGENCY-SPECIFIC CLAUSES

1. If this Agreement exceeds \$50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at:

http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific

personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.
 2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.
 3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.
 4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.
- C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.
- D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.
12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).
- A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.
- B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.
- C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:
1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
 2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.
 3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.
 4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.
6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.
13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.
14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.
- This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.
15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.
16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.
17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.
18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees

for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter
Report Due

January 1 - March 31
April 30

April 1 - June 30
July 31

July 1 - September 30
October 31

October 1 - December 31
January 31

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such

suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

APPENDIX C**PAYMENT AND REPORTING SCHEDULE**

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.

Any such publications shall contain the following statement... "This project is supported by a grant from the New York State Gun Involved Violence Elimination (GIVE) Initiative. Points of view in this document are those of the author and do not necessarily represent the official position of policies of the Division of Criminal Justice"

2. No materials, items or publications resulting from award activities associated with the GIVE Initiative grant may use the DCJS logo or provide any attribution to DCJS in any form, without the prior approval from the Executive Deputy Commissioner of DCJS or his/her designee. Requests for such approval must be submitted in writing to DCJS Executive Deputy Commissioner and Counsel at least 30 calendar days before requested use. Determinations of such requests will be made by the DCJS Executive Deputy Commissioner on a case-by-case basis.

A. Payment and Recoupment Language

1. Grantee shall provide complete and accurate vouchers to the Agency in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Grantee shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Grantee shall comply with the State Comptroller's procedures to authorize electronic payments. GRANT CONTRACT

The Contract is hereby made by and between the State of New York, acting by and through the New York State Division of Homeland Security and Emergency Services (DHSES or State Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL TERMS AND CONDITIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the Offices of the State Comptroller and Attorney General where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Appendix C (Payment and Reporting Schedule).

C. Contract Parts: This Contract incorporates the face pages attached, this Appendix and all of the marked Appendices identified on the face page hereof.

D. Order of Precedence: In the event of a conflict among (i) the terms of the Contract (including any and all Appendices and amendments) or (ii) between the terms of the Contract and the original request for proposal, the program application or other Appendix that was completed and executed by the Contractor in connection with the Contract, the order of precedence is as follows:

- 1) Appendix A-1
- 2) Modifications to the Face Page
- 3) Modifications to Appendices B, C and D
- 4) The Face Page
- 5) Appendices B, C and D
- 6) Other attachments, including, but not limited to, the request for proposal or program application

E. Governing Law: This Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise. All personal pronouns used herein shall be considered general neutral. This Contract is made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

F. Funding: Funding for the entire Contract Period shall not exceed the funding amount specified as 'Funding Amount for the Initial Period' on the Face Page hereof or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Appendix B form (Budget).

Any change in the amount of consideration to be paid, change in scope, or change in the term, is subject to the approval of the NYS Office of the State Comptroller. Any other modifications shall be processed in accordance with DHSES guidelines as stated in this Contract.

J. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

K. Notice:

1) All notices, except for notices of termination, shall be in writing and shall be transmitted either:

- a) by certified or registered United States mail, return receipt requested;
- b) by facsimile transmission;
- c) by personal delivery;
- d) by expedited delivery service; or
- e) by e-mail.

2) Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or email, upon receipt.

3) The parties may, from time to time, specify any new or different e-mail address, facsimile number or address

in the United States as their address for purpose of receiving notice under the Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

L. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

M. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Contract up to any amounts due and owing to the State with regard to the Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of setoff pursuant to an audit, the finalization of such audit by DHSES, its representatives, or OSC.

N. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Contract.

O. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of DHSES and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

P. Legal Action: No litigation or regulatory action shall be brought against the federal government, the State of New York, DHSES or against any county or other local government entity with the funds provided under the Contract. The term 'litigation' shall include commencing or threatening to commence a lawsuit, joining or threatening to join as a party to ongoing litigation, or requesting any relief from any of the federal government, the State of New York, DHSES or any county or other local government entity.

Q. No Arbitration: Disputes involving the Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

R. Secular Purpose: Services performed pursuant to the Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

S. Partisan Political Activity and Lobbying: Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

T. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.¹

U. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the federal False Claims Act, the New York State False Claims Act and whistleblower protections.

V. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

W. Federally Funded Grants: All of the specific federal requirements that are applicable to the Contract are identified in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that the Contract is funded in whole or part with federal funds, (i) the provisions of the Contract that conflict with federal rules, federal regulations, or federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix.

X. The Contractor must meet the program objectives summarized in the Program Work Plan and Special Conditions (Appendix D) to the satisfaction of DHSES in accordance with provisions of the Contract, relevant laws, rules and regulations, administrative and fiscal guidelines and, where applicable, operating certificates for facilities or license for an activity or program.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1) General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2) Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ('Unusual Circumstances'), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, 'Unusual Circumstances' shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the

not-for-profit Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

C. Termination:

1) Grounds:

a) **Mutual Consent:** The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b) **Cause:** The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Contract.

c) **Non-Responsibility:** In accordance with the provisions of this Contract, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

d) **Convenience:** The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e) **Lack of Funds:** If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at DHSES's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to DHSES for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f) **Force Majeure:** The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure.' For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2) Notice of Termination:

a) **Service of notice:** Written notice of termination shall be sent by:

- i. personal messenger service; or
- ii. certified mail, return receipt requested and first class mail.

b) **Effective date of termination:** The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

- i. if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or
- ii. if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3) Effect of Notice and Termination on State's Payment Obligations:

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Contract after its termination date.

4) Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

- a) the repayment to the State of any monies previously paid to the Contractor; or
- b) the return of any real property or equipment purchased under the terms of the Contract; or
- c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1) In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2) The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.

3) The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4) Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

5) If travel expenses are an approved expenditure under this Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.

6) Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.

7) Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, 'Full Execution' shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1) Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Appendix C (Payment and Reporting Schedule).

2) Advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page.

3) For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year. For simplified renewals, the payment schedule (Appendix C) will be modified as part of the renewal process.

4) Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Appendix C (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

5) If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1) The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Contract in accordance with this Section and the applicable claiming schedule in Appendix C (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Appendix B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2) Consistent with the selected reimbursement claiming schedule in Appendix C (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:

a) Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). The Contractor shall submit to DHSES quarterly voucher claims and supporting documentation. The Contractor shall submit vouchers to DHSES in accordance with the procedures set forth in Section III(A)(3) herein.

b) Monthly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). The Contractor shall submit to DHSES monthly voucher claims and supporting documentation. The Contractor shall submit vouchers to DHSES in accordance with the procedures set forth in Section III(A)(3) herein.

c) **Biannual Reimbursement:** The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). The Contractor shall submit to DHSES biannually voucher claims and supporting documentation. The Contractor shall submit vouchers to DHSES in accordance with the procedures set forth in Section III(A)(3) herein.

d) **Milestone/Performance Reimbursement:**² Requests for payment based upon an event or milestone may be either severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event. Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Appendix C (Payment and Reporting Schedule). DHSES shall make milestone payments subject to the Contractor's satisfactory performance.

e) **Fee for Service Reimbursement:**³ Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

f) **Rate Based Reimbursement:**⁴ Payment shall be limited to rate(s) established in the Contract. Payment may be requested no more frequently than monthly.

g) **Scheduled Reimbursement:**⁵ DHSES shall generate vouchers at the frequencies and amounts as set forth in Appendix C (Payment and Reporting Schedule),

h) **Fifth Quarter Payments:**⁶ Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. DHSES shall use a written directive for fifth quarter financing. DHSES shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.

3) The Contractor shall also submit supporting fiscal documentation for the expenses claimed.

4) The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

5) The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

6) All vouchers submitted by the Contractor pursuant to the Contract shall be submitted to DHSES no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by DHSES, and, if actual expenditures by the Contractor are less than such sum, the amount payable by DHSES to the Contractor shall not exceed the amount of actual expenditures.

7) All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

D. Identifying Information and Privacy Notification:

1) Every voucher or New York State Claim for Payment submitted to a State Agency by the Contractor, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property, must include the Contractor's Vendor Identification Number assigned by the Statewide Financial System, and any or all of the following identification numbers: (i) the Contractor's Federal employer identification number, (ii) the Contractor's Federal social security number, and/or (iii) DUNS number. Failure to include such identification number or numbers may delay payment by the State to the Contractor. Where the

Contractor does not have such number or numbers, the Contractor, on its voucher or Claim for Payment, must provide the reason or reasons for why the Contractor does not have such number or numbers.

2) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The personal information is requested by the purchasing unit of DHSES contracting to purchase the goods or services or lease the real or personal property covered by the Contract. This information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York, 12236.

E. Refunds:

1) In the event that the Contractor must make a refund to the State for Contract-related activities, including repayment of an advance or an audit disallowance, payment must be made payable as set forth in this Appendix. The Contractor must reference the contract number with its payment and include a brief explanation of why the refund is being made. Refund payments must be submitted to the Office address listed in Appendix C.

2) If at the end or termination of the Contract, there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

F. Outstanding Amounts Owed to the State: Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

G. Program and Fiscal Reporting Requirements:

1) The Contractor shall submit required periodic reports in accordance with the applicable schedule provided in Appendix C (Payment and Reporting Schedule). All required reports or other work products developed pursuant to the Contract must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to DHSES in order for the Contractor to be eligible for payment.

The Contractor shall retain copies of all solicitations seeking a consultant, written Contracts and documentation justifying the cost and selection of the consultant, and make them available to DHSES upon request. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of the consultant as if it were its own. - a) A Contractor who proposes to purchase goods or services from a particular vendor without competitive bidding must obtain the prior written approval of DHSES. This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

b) Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

c) During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. L. Accounting for Grant Expenditures:

1) Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2) Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3) None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4) If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5) The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;

- Property Records or Equipment Inventory Reports.

M. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

N. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

O. Equipment and Property:

1) Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2) Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A Contractor may use its own definition of equipment provided

that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3) Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a) Items of equipment with a current per unit market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b) Items of equipment with a current per unit fair market value of \$5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

P. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

Q. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

R. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

Endnotes:

¹ As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

² A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

³ Fee for Service is a rate established by the Contractor for a service or services rendered.

⁴ Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

⁵ Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

⁶ Fifth Quarter Payments occurs where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

⁷ Not applicable to not-for-profit entities.

Special Conditions

The Grantee shall use the funds provided pursuant to this Agreement to carry out the Work Plan described in this Appendix D. Any services in this contract awarded by the Division of Homeland Security and Emergency Services (DHSES) Office of Interoperable and Emergency Communications (OIEC) to Grantee based on Grantee's submission of an Application Proposal in response to a Request for Applications (RFA) shall be subject to the terms and conditions in both the Grantee's Application Proposal and the RFA, incorporated herein by reference, which shall apply as if fully stated herein.

This Program Work Plan shall not be modified without approval from the DHSES. If modification to this Program Work Plan is necessary, the Grantee must submit a written request to DHSES OIEC and await DHSES OIEC approval before implementing such changes. If changes in the Work Plan are made without DHSES OIEC's prior approval, DHSES OIEC reserves the right, in its sole discretion, to disallow reimbursement for the modifications, reduce the amount payable to the Grantee, terminate this Agreement, or take any other action deemed necessary.

A. Permissible Use of Funding

1. Public Safety Answering Points (PSAP) grant funds must be used in accordance with the guidelines set forth in the FY 2013 PSAP Request for Applications, which can be located at < <http://www.dhSES.ny.gov/oiec/grants/> >.
2. Any unused funds will be reprogrammed pursuant to a plan approved by the Division of Homeland Security and Emergency Services, Office of Interoperable and Emergency Communications.
3. The project must commence no later than 180 days after successful approval of the contract by the New York State Office of the Comptroller.
4. Pursuant to and consistent with NYS Tax Law section 186-f(6)(d), prospective and retrospective costs may be considered for reimbursement under the PSAP Grant Program to the extent that the costs incurred are to consolidate public safety answering points, to implement new technologies in local public safety answering points that facilitate interoperability and create operating efficiencies, and/or to promote the development and implementation of cross-jurisdictional standard operating procedures that foster regional consolidation.

B. Record Requirements

1. Grantees shall keep an agenda and meeting minutes on file for all meetings conducted regarding PSAP funded activities.
2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories as listed in the FY 2013 PSAP Request for Applications, which can be located at < <http://www.dhSES.ny.gov/oiec/grants/> >.
2. Grantees are responsible to request a determination of eligibility from the Office of Interoperable and Emergency Communications for any item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS-adopted standards to be eligible for purchase using FY 2013 PSAP funds.
3. The New York State Communication Interoperability Plan (SCIP), as well as DHSES/OIEC Grant Guidance for grant funding, requires that all interoperable communications equipment employ the use of APCO P-25 compliant equipment; a recommended technology to achieve emergency interoperable communications.
4. Acceptance of State support for interoperable and emergency communications projects, including funding through the Public Safety Answering Points (PSAP) grant, requires that Contractors must use open-standard/vendor-neutral technologies to allow for other public safety/public service agencies (including State agencies and authorities) and jurisdictions in your region to operate on your radio system(s) when required, regardless of the total percentage of system funding from the State. This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on

your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

D. Training & Exercise Related Activities

1. Any training courses to be supported by this award must be on equipment contained in the approved application. Grantees are responsible to request a determination of eligibility from the Office of Interoperable and Emergency Communications for any training in question.
2. Grantees are required to be NIMS compliant. DHSES/OIEC requires that Grantees contact their county point of contact to determine how the particular county requires reporting. Grantees are expected to complete the web based NIMSCAST report or provide the county with a completed paper copy of the NIMSCAST report.

E. Planning, Administration and Deployment Costs

1. Services relating to developing, designing and implementing interoperability plans and network system development must be consistent with awarded applications.
2. Permissible costs are limited to costs associated with the development and deployment of public safety communications systems, networks, technology or facilities whose purpose is to provide the sharing of voice, data and video transmissions; dispatch and incident management involving two or more organization or jurisdiction and in accordance with approved interoperability plans operating standards.

F. Law Enforcement Requirements

1. Grantees agree that such funding shall leverage a regional approach to support multi-jurisdictional (two or more counties) and multi-discipline (e.g., law enforcement, fire service, emergency medical, emergency management, public health, public works and communication centers) public safety communications.
2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, Grantees will ensure that interoperability between and among existing law enforcement systems is accomplished.
3. Acceptance of the PSAP funding indicates your acknowledgement that State agencies/authorities and other jurisdictions are permitted on your radio system for the coordination and provision of State assistance. Failure to comply with this requirement may result in a disallowance of costs and jeopardize future funding opportunities.

G. SEQRA and EHP Requirements

1. Grantees shall ensure compliance with the State Environmental Quality Review Act of 1975, as amended, and all other local environmental and historic preservation requirements, in the planning and execution of all projects under this grant. Please contact the New York State Division of Environmental Conservation, or visit <http://www.dec.ny.gov/permits/357.html>, for additional information.
2. If federal dollars will be used to fund any part of the projects under this Contract, Grantees are further required to comply with all applicable federal environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).
3. Failure of Grantees to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize funding. Grantees shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings that are 50 years old or greater. Grantees must comply with all conditions placed on the project as the result of the EHP review.
4. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements.
5. If ground disturbing activities occur during project implementation, Grantees must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, such Grantee will immediately cease construction in that area and notify FEMA and the New York State Office of Parks, Recreation and Historic Preservation (OPRHP).

H. Equipment Maintenance Requirements

1. Grantees must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

I. New York State Emergency Management Certification and Training Program

1. Participation in, and successful completion of, the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES-specified county and city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.
2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, Contractors must arrange for DHSES-specified Contractor employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the Contractor will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day-cycle from the date of initial training for previously trained individuals if such person remains employed by the Contractor and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES-specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.
3. Contractors must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Grantees must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the Contractor to ensure that it is effective.
4. All grantees and subgrantees funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the grantee or subgrantee; and (2) the status of any corresponding grantee or subgrantee plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.
5. Additionally, pursuant to Article 26 of the NYS Executive law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man-made disasters. Funded grantees and subgrantees agree to attend and participate in any DHSES-sponsored conferences, training, workshops or meetings (excluding those identified by DHSES as voluntary) that may be conducted, by and at the request of DHSES, during the life of the grant contract.
6. Failure to comply with any of the requirements, as listed above, may result in sanctions up to and including the immediate suspension and/or revocation of the grant award.

PAYMENT AND REPORTING SCHEDULE

For All Grantees:

I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Grantee shall provide complete and accurate vouchers to the Agency in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Grantee shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Grantee shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Grantee acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Grantee. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:

- Signed Voucher and Fiscal Cost Report
- Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
- Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that:

a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program.

B. Interim and/or Final Claims for Reimbursement

1. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Grantee must also refund all unexpended advances and any interest earned on the advanced funds. Property Records or Equipment Inventory Reports as defined in Appendix A-1, Paragraph 12, must be available at the conclusion of the grant contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned on the advanced funds) associated with this contract in the possession of the Grantee, the Grantee shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services

Federal Fiscal Unit

State Campus - Building 7A

1220 Washington Avenue

Albany, NY 12242

3. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the Contract Unit of DHSES. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Homeland Security and Emergency Services

In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation.

DHSES reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement.

2. The Grantee will submit program progress reports and one final report to DHSES on a prescribed form provided by DHSES as well as any additional information or amended data as required.

S. **Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

T. **Reciprocity and Sanctions Provisions:** The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.¹

U. **Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the federal False Claims Act, the New York State False Claims Act and whistleblower protections.

V. **Non-Collusive Bidding:** By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. 1) General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2) Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ('Unusual Circumstances'), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, 'Unusual Circumstances' shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

C. Termination:

1) Grounds:

a) **Mutual Consent:** The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f) **Force Majeure:** The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure.' For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2) Notice of Termination:

a) **Service of notice:** Written notice of termination shall be sent by:

- i. personal messenger service; or
- ii. certified mail, return receipt requested and first class mail.

b) **Effective date of termination:** The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

- i. if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

ii. if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3) Effect of Notice and Termination on State's Payment Obligations:

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Contract after its termination date.

4) Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

- a) the repayment to the State of any monies previously paid to the Contractor; or
- b) the return of any real property or equipment purchased under the terms of the Contract; or
- c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1) In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2) The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.

3) The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the

State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4) Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. 4) Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Appendix C (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1) The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Contract in accordance with this Section and the applicable claiming schedule in Appendix C (Payment and Reporting Schedule).

When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2) Consistent with the selected reimbursement claiming schedule in Appendix C (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:

a) Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). d) Milestone/Performance Reimbursement:² Requests for payment based upon an event or milestone may be either severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event. Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Appendix C (Payment and Reporting Schedule). DHSES shall make milestone payments subject to the Contractor's satisfactory performance.

e) Fee for Service Reimbursement:³ Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

DHSES shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.

3) The Contractor shall also submit supporting fiscal documentation for the expenses claimed.

4) The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

5) The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

6) All vouchers submitted by the Contractor pursuant to the Contract shall be submitted to DHSES no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by DHSES, and, if actual expenditures by the Contractor are less than such sum, the amount payable by DHSES to the Contractor shall not exceed the amount of actual expenditures.

7) All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

D. Identifying Information and Privacy Notification:

1) Every voucher or New York State Claim for Payment submitted to a State Agency by the Contractor, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property, must include the Contractor's Vendor Identification Number assigned by the Statewide Financial System, and any or all of the following identification numbers: (i) the Contractor's Federal employer identification number, (ii) the Contractor's Federal social security number, and/or (iii) DUNS number. 2) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or

lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The personal information is requested by the purchasing unit of DHSES contracting to purchase the goods or services or lease the real or personal property covered by the Contract. This information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York, 12236.

E. Refunds:

F. Outstanding Amounts Owed to the State: Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

G. Program and Fiscal Reporting Requirements:

1) The Contractor shall submit required periodic reports in accordance with the applicable schedule provided in Appendix C (Payment and Reporting Schedule). All required reports or other work products developed pursuant to the Contract must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to DHSES in order for the Contractor to be eligible for payment.

2) Consistent with the selected reporting options in Appendix C (Payment and Reporting Schedule), the Contractor shall comply with the following applicable provisions:

In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of the notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of DHSES, or his or her designee, issues a written notice authorizing a resumption of performance under the Contract.

b) Upon written notice to the Contractor, and a reasonable opportunity to be heard with the appropriate DHSES officials or staff, the Contract may be terminated by the DHSES Commissioner, or his or her designee at the Contractor's expense where the Contractor is determined by the DHSES Commissioner, or his or her designee, to be non-responsible. In such event, the Commissioner, or his or her designee, may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

3) DHSES shall make payments and any reconciliation in accordance with the Payment and Reporting Schedule (Appendix C). Rates may be viewed online at: <http://www.osc.state.ny.us/agencies/travel/travel.htm>.

6) The Contractor's employment of a consultant must be supported by a written Contract executed by the Contractor and the consultant. A consultant is defined as an individual or organization hired by the Contractor for the stated purpose of accomplishing a specific task relative to the funded project. All consultant services must be obtained in a manner that provides for fair and open competition. The Contractor shall retain copies of all solicitations seeking a consultant, written Contracts and documentation justifying the cost and selection of the consultant, and make them available to DHSES upon request. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of the consultant as if it were its own. Failure to follow these guidelines may result in a disallowance of costs.

7) Additionally, Contractor must adhere to the following guidelines at a minimum when making all procurements, including consultant services. Failure to follow these guidelines may result in a disallowance of costs.

a) A Contractor who proposes to purchase goods or services from a particular vendor without competitive bidding must obtain the prior written approval of DHSES. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the Office of the State Comptroller, State Procurement Council, and the U.S. Department of Homeland Security. A copy of DHSES' approval must also be submitted with the voucher for payment.

c) Written justification and documentation for all procurements must be maintained on file, and made available to DHSES upon request. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsible bidder or best value).

d) A Contractor that is a State entity must make all procurements in accordance with State Finance Law Article 11 and any other applicable regulations.

e) A Contractor that is a local government must make all procurements in accordance with General Municipal Law Article 5-A, and any other applicable regulations.

i. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service

elsewhere at a lower than or equal price, then such purchase may be made immediately.

ii. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.

iii. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

8) Acceptance of State support for interoperable and emergency communications projects, including funding through the Interoperable Emergency Communication Grant Program, requires that Contractors must use open-standard/vendor-neutral technologies to allow for other public safety/public service agencies (including State agencies and authorities) and jurisdictions in your region to operate on your radio system(s) when required, regardless of the total percentage of system funding from the State. This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

9) DHSES reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant Contracts between the Contractor and DHSES or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or federal laws or regulatory provisions or, if in DHSES' judgment, the services provided by the Contractor under the Contract are unsatisfactory or untimely.

a) DHSES shall provide the Contractor with written notice of noncompliance.

b) Upon the Contractor's failure to correct or comply with the written notice by DHSES, DHSES reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract.

c) DHSES reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with these terms.

10) As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of 'persons' who are engaged in 'investment activities in Iran' (both are defined terms in the

law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

a) By entering into this Contract, Contractor (or any assignee) certifies in accordance with State Finance Law §165-a that it is not on the Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 (Prohibited Entities List) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

b) Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

c) During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

d) DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the DHSES for liquidated or other appropriate damages, as set forth herein.

Upon the occurrence of such a material breach, DHSES shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

5) Waivers

If the DHSES, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the DHSES may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

7) Liquidated Damages - MWBE Participation

a) Where DHSES determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DHSES may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

b) Such liquidated damages shall be calculated as an amount equaling the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal audits by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. H. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend \$500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

J. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

K. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1) If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

3) The Contractor shall submit one copy of all reports and publications resulting from this Contract to DHSES within thirty (30) calendar days of completion. Any document generated pursuant to this grant must contain the following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

L. Accounting for Grant Expenditures:

1) Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2) Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3) None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4) If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5) The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

M. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

N. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

O. Equipment and Property:

1) Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2) Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3) Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a) Items of equipment with a current per unit market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b) Items of equipment with a current per unit fair market value of \$5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

P. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

Q. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

R. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

¹ As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

² A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

³ Fee for Service is a rate established by the Contractor for a service or services rendered.

⁴ Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

⁵ Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

⁶ Fifth Quarter Payments occurs where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

⁷ Not applicable to not-for-profit entities.

Special Conditions

I. ALL GRANT FUNDS:

A. Permissible Use of Funding

1. Homeland Security Grant Program (HSGP) funds must be used in accordance with the guidelines set forth in the HSGP application kit, which can be located at <http://www.fema.gov/government/grant/hsgp/index.shtm>.
2. All planning, training and Chemical, Biological, Radiological and Nuclear Explosives (CBRNE) exercises and/or equipment purchased with HSGP funds must support the prevention, response and/or recovery goals set forth in New York State's Homeland Security Strategy represented by the list of priorities included in the grant applications and approved investment justifications. New York State's Homeland Security Strategy can be located on the NYS Division of Homeland Security and Emergency Services' (DHSES) website at <http://www.dhSES.ny.gov/planning/#strat>.
3. Designated Urban Areas under the Urban Areas Security Initiative (UASI) must have a charter document on file with the Federal Emergency Management Agency (FEMA) prior to drawing down UASI funding. The charter must address critical issues such as membership, governance structure, voting rights, grant management and administration responsibilities, and funding allocation methodologies.

B. Record Requirements

1. Grantees shall keep an agenda and meeting minutes on file for all meetings conducted regarding HSGP funded activities.
2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for HSGP as listed on the Authorized Equipment List (AEL) (<https://www.llis.dhs.gov/knowledgebase>).
2. Grantees are responsible to request a determination of eligibility from the U.S. Department of Homeland Security (DHS), through DHSES, for any item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS-adopted standards to be eligible for purchase using HSGP funds.
3. The New York State Communication Interoperability Plan (SCIP), as well as DHS Grant Guidance for grant funding, requires that all interoperable communications equipment must be on the Authorized Equipment List (AEL) and that the use of APCO P-25 compliant equipment is a recommended technology to achieve emergency interoperable communications.

D. Training & Exercise Related Activities

1. Any non-DHS training course to be supported by this award must be submitted to DHSES for approval.
2. All exercises conducted must be managed and executed in accordance with the Homeland Security Exercise and Evaluation Program (HSEEP). An After-Action Report/Improvement Plan (AAR/IP) must be prepared and submitted to DHSES following every exercise, regardless of type or scope. AAR/IPs must conform to the HSEEP format and must be submitted within 60 days of completion of the exercise.
3. Grantees are required to be NIMS compliant. DHSES requires that Grantees contact their county point of contact to determine how the particular county requires reporting. Grantees are expected to complete the web based NIMSCAST report or provide the county with a completed paper copy of the NIMSCAST report.

E. Law Enforcement Requirements

1. Grantees that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.
2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, grantees will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.
3. Grantees further agree to consult with the NYSIC to ensure agency participation and inclusion in New York State's Field Intelligence Officer (FIO) Program.

F. EHP Requirements

1. Grantees shall comply with all applicable federal, State, and local environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).
2. Failure of Grantees to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize federal funding. Grantees shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings that are 50 years old or greater. Grantees must comply with all conditions placed on the project as the result of the EHP review.
3. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements.
4. If ground disturbing activities occur during project implementation, Grantees must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, such Grantee will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office.
5. Any construction activities that have been initiated prior to the full environmental and historic preservation review could result in non-compliance finding. For your convenience, the screening form is available at: <http://www.dhSES.ny.gov/grants/#ehp>

G. Equipment Maintenance Requirements

1. Grantees must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

H. New York State Emergency Management Certification and Training Program

1. Participation in, and successful completion of, the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES-specified county and city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.
2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, Contractors must arrange for DHSES-specified Contractor employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the Contractor will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day-cycle from the date of initial training for previously trained individuals if such person remains employed by the Contractor and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES-specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.
3. Contractors must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Grantees must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the Contractor to ensure that it is effective.
4. All grantees and subgrantees funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the grantee or subgrantee; and (2) the status of any corresponding grantee or subgrantee plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.
5. Additionally, pursuant to Article 26 of the NYS Executive law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man-made disasters. Funded grantees and subgrantees agree to attend and participate in any DHSES-sponsored conferences, training, workshops or meetings (excluding those identified by DHSES as voluntary) that may be conducted, by and at the request of DHSES, during the life of the grant contract.
6. Failure to comply with any of the requirements, as listed above, may result in sanctions up to and including the immediate suspension and/or revocation of the grant award.

APPENDIX C

PAYMENT AND REPORTING SCHEDULE

For All Contractors:

I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:

- Signed Voucher and Fiscal Cost Report
- Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
- Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over \$500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over \$500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security

and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services
Federal Fiscal Unit
State Campus - Building 7A
1220 Washington Avenue
Albany, NY 12242

3. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the Contract Unit of DHSES. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Homeland Security and Emergency Services
Attention: Contracts Unit
State Office Building Campus – Bldg. 7A
1220 Washington Avenue, Suite 610
Albany, NY 12242

II. REPORTING PROVISIONS

A. Required Reports:

Narrative/Qualitative Report (Progress Report)

The Contractor will submit, on a quarterly basis, not later than 30 days from the end of the quarter, the report described in Section III(G)(2)(a)(i) of Appendix A-1 of the Contract.

Expenditure Report (Fiscal Cost Report)

The Contractor will submit, on a quarterly basis, not later than 30 days after the end date for which reimbursement is being claimed, the report described in Section III, Paragraph G(2)(a)(iii) of the Appendix A-1 of the Contract.

Final Report

The Contractor will submit the final report as described in Section III, Paragraph G(2)(a)(iv) of Appendix A-1 of the Contract, no later than 30 days after the end of the contract period.

1. Fiscal cost reports must be submitted showing grant expenditures. They must also show the amount of interest earned to date on any advanced funds.

All submitted vouchers will reflect the Contractor's actual expenditures and will be accompanied by supporting detailed itemization forms or a form deemed acceptable to DHSES for personal service, fringe benefit and non-personal service expenditures or other documentation as required, and by a fiscal cost report for the reporting period. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Contractor may be required to submit a final budget reallocation.

DHSES reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement.

2. The Contractor will submit program progress reports and one final report to DHSES on a prescribed form provided by DHSES as well as any additional information or amended data as required.

Progress reports will be due within 30 days of the last day of each calendar quarter or on an alternate schedule as prescribed in Appendix D. Progress reports will be due within 30 days of the last day of the calendar quarter from the start date of the program and the final report will be due upon completion of the project or termination of this Agreement. Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter: January 1 - March 31 -- Report Due: April 30

Calendar Quarter: April 1 - June 30 -- Report Due: July 30

Calendar Quarter: July 1 - September 30 -- Report Due: October 30

Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

7. All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

2. The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The personal information is requested by the purchasing unit of DHSES contracting to purchase the goods or services or lease the real or personal property covered by the Contract. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

G. Program and Fiscal Reporting Requirements:

1. The Contractor shall submit required periodic reports in accordance with the applicable schedule provided in Appendix C (Payment and Reporting Schedule). All required reports or other work products developed pursuant to the Contract must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to DHSES in order for the Contractor to be eligible for payment.

c. Upon the occurrence of such a material breach, DHSES shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

5. Waivers

If the DHSES, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the DHSES may issue a notice of deficiency to the Contractor. a. Where DHSES determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DHSES may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

b. Such liquidated damages shall be calculated as an amount equaling the difference between:

to be non-responsible. In such event, the Commissioner, or his or her designee, may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

6. The Contractor's employment of a consultant must be supported by a written Contract executed by the Contractor and the consultant. A consultant is defined as an individual or organization hired by the Contractor for the stated purpose of accomplishing a specific task relative to the funded project. All consultant services must be obtained in a manner that provides for fair and open competition. The Contractor shall retain copies of all solicitations seeking a consultant, written Contracts and documentation justifying the cost and selection of the consultant, and make them available to DHSES upon request. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of the consultant as if it were its own. Failure to follow these guidelines may result in a disallowance of costs.

7. Additionally, Contractor must adhere to the following guidelines at a minimum when making all procurements, including consultant services. Failure to follow these guidelines may result in a disallowance of costs.

a. A Contractor who proposes to purchase goods or services from a particular vendor without competitive bidding must obtain the prior written approval of DHSES. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.
- h. DHSES reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant Contracts between the Contractor and DHSES or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or federal laws or regulatory provisions or, if in DHSES' judgment, the services provided by the Contractor under the Contract are unsatisfactory or untimely.
- i. DHSES shall provide the Contractor with written notice of noncompliance.
- ii. Upon the Contractor's failure to correct or comply with the written notice by DHSES, DHSES reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract.
- i. DHSES reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with these terms.
- j. As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of 'persons' who are engaged in 'investment activities in Iran' (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.
- i. By entering into this Contract, Contractor (or any assignee) certifies in accordance with State Finance Law §165-a that it is not on the 'Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012' ('Prohibited Entities List') posted at: <http://www.ogs.ny.gov/about/regsg/docs/ListofEntities.pdf>.

ii. Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

iii. During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

V. FEDERALLY FUNDED GRANT REQUIREMENTS

A. Hatch Act. The Contractor agrees, as a material condition of the Contract, to comply with all applicable provisions of the Hatch Act (5 U.S.C. 1501 et seq.), as amended.

B. Requirement for System of Award Management: Unless you are exempted from this requirement under 2 CFR 25.110, you as the subrecipient must maintain the currency of your information in the System of Award Management (SAM) until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term. Pursuant to section 2 CFR §200.210(a)(2), Contractors must maintain a current unique entity identifier prior to and during the life of the Contract.

Failure to make required disclosures can result in any remedy available to DHSES for Contractor's noncompliance, including suspension or debarment.

D. The Contractor must ensure that, for all contracts entered into by the Contractor, the contract provisions required by 2 CFR §200.326 (and Appendix II to 2 CFR Part 200) are included in such contracts. The Contractor further agrees to impose and enforce this requirement for any Contractor subaward agreements.

E. Where advance payments are approved by DHSES, the Contractor agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B. The advanced funds must be placed in an interest-bearing account and are subject to the rules outlined in 2 CFR Part 200, (Uniform Administrative Requirements for Grants and Cooperative Contracts to State and Local Governments) which require Contractors to promptly remit back to the federal government, through New York State Division of Homeland Security and Emergency Services, any interest earned on these advanced funds. The Contractor may keep interest earned up to \$500 per federal fiscal year for administrative expenses. This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

F. Audit Requirements. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements; maintenance of accurate and

reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable federal, State, and DHSES guidelines.

2. Affirmative steps must include:

- a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend \$500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The final report for such audit must be completed within nine months of the end of the Contractor's fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with such grant support.

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be

taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of \$5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

ENDNOTES:

¹ To the extent that Section V-Federally Funding Grant Requirements conflict with any other provisions of the Contract, the Federal requirements of Section V shall supersede all other provisions of the Contract.

² As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

³ A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

⁴ Fee for Service is a rate established by the Contractor for a service or services rendered.

⁵ Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

⁶ Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

⁷ Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

Special Conditions

The subrecipient shall use the funds provided pursuant to this Agreement to carry out the Work Plan described in this Appendix D. Any services in this contract awarded by the Division of Homeland Security and Emergency Services (DHSES) Office of Interoperable and Emergency Communications (OIEC) to subrecipient based on subrecipient's submission of an Application Proposal in response to a Request for Applications (RFA) shall be subject to the terms and conditions in both the subrecipient's Application Proposal and the RFA, incorporated herein by reference, which shall apply as if fully stated herein. This Program Work Plan shall not be modified without approval from the DHSES. If modification to this Program Work Plan is necessary, the subrecipient must submit a written request to DHSES OIEC and await DHSES OIEC approval before implementing such changes. If changes in the Work Plan are made without DHSES OIEC's prior approval, DHSES OIEC reserves the right, in its sole discretion, to disallow reimbursement for the modifications, reduce the amount payable to the subrecipient, terminate this Agreement, or take any other action deemed necessary.

A. Permissible Use of Funding

1. Statewide Interoperable Communications Grant (SICG) funds must be used in accordance with the guidelines set forth in the Request for Applications, which can be located at <http://www.dhSES.ny.gov/oiec/grants/>.
2. Any unused funds will be reprogrammed pursuant to a plan approved by the Division of Homeland Security and Emergency Services, Office of Interoperable and Emergency Communications.
3. The project must commence 180 days after successful approval of the contract by the New York State Office of the Comptroller.

B. Record Requirements

1. Subrecipients shall keep an agenda and meeting minutes on file for all meetings conducted regarding SICG funded activities.
2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for SICG as listed in the Request for Applications, which can be located at <http://www.dhSES.ny.gov/oiec/grants/>.
2. Subrecipients are responsible to request a determination of eligibility from the Office of Interoperable and Emergency Communications for any item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS-adopted standards to be eligible for purchase using SICG funds.
3. The New York State Communication Interoperability Plan (SCIP), as well as DHSES/OIEC Grant Guidance for grant funding, requires that all interoperable communications equipment employ the use of APCO P-25 compliant equipment; a recommended technology to achieve emergency interoperable communications.
4. Acceptance of State support for interoperable and emergency communications projects, including funding through the Interoperable Emergency Communication Grant Program, requires that subrecipients must use open-standard/vendor-neutral technologies to allow for other public safety/public service agencies (including State agencies and authorities) and jurisdictions in your region to operate on your radio system(s) when required, regardless of the total percentage of system funding from the State. This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

D. Training & Exercise Related Activities

1. Any training courses to be supported by this award must be on equipment contained in the approved application. Subrecipients are responsible to request a determination of eligibility from the Office of Interoperable and Emergency Communications for any training in question.
2. Subrecipients are required to be NIMS compliant. DHSES/OIEC requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

E. Planning, Administration and Deployment Costs

1. Services relating to developing, designing and implementing interoperability plans and network system development must be consistent with awarded applications.
2. Permissible costs are limited to costs associated with the development and deployment of public safety communications systems, networks, technology or facilities whose purpose is to provide the sharing of voice, data and video transmissions; dispatch and incident management involving two or more organization or jurisdiction and in accordance with approved interoperability plans operating standards.

F. Law Enforcement Requirements

1. Subrecipients agree that such funding shall leverage a regional approach to support multi-jurisdictional (two or more counties) and multi-discipline (e.g., law enforcement, fire service, emergency medical, emergency management, public health, public works and communication centers) public safety communications.
2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems is accomplished.
3. Acceptance of the SICG funding indicates your acknowledgement that State agencies/authorities and other jurisdictions are permitted on your radio system for the coordination and provision of State assistance. Failure to comply with this requirement may result in a disallowance of costs and jeopardize future funding opportunities.

G. Consortium Requirements

1. Subrecipients must be an active member of, or demonstrated a commitment to, a regional consortium. Such a consortium shall consist of two or more counties formed to promote multi-jurisdictional (two or more) and multi-discipline (two or more) (e.g., law enforcement, fire service, emergency medical, emergency management, public health, public works and communication centers) public safety communications and interoperability; and must support the agencies of the State of New York.
2. If not currently a member of a consortium, the commitment to participate in a consortium must be in effect and certified within 120 days of notice of potential award. Certification requirements can be found in the Request for Applications, which can be located at <http://www.dhSES.ny.gov/oiec/grants/>.
3. Subrecipients are responsible to ensure that funds used under this grant acknowledge accessibility for other jurisdictions and levels of government, including state agencies, to share communications systems to achieve further statewide cross-jurisdictional and intergovernmental interoperability goals and objectives.
4. Subrecipients must maintain membership in the consortiums indicated in their application throughout the grant period.

H. SEQRA and EHP Requirements

1. Subrecipients shall ensure compliance with the State Environmental Quality Review Act of 1975, as amended, and all other local environmental and historic preservation requirements, in the planning and execution of all projects under this grant. Please contact the New York State Division of Environmental Conservation, or visit <http://www.dec.ny.gov/permits/357.html>, for additional information.
2. If federal dollars will be used to fund any part of the projects under this Contract, subrecipients are further required to comply with all applicable federal environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).
3. Failure of subrecipients to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize funding. Subrecipients shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings that are 50 years old or greater. Subrecipients must comply with all conditions placed on the project as the result of the EHP review.
4. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP

requirements.

5. If ground disturbing activities occur during project implementation, subrecipients must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, such subrecipient will immediately cease construction in that area and notify FEMA and the New York State Office of Parks, Recreation and Historic Preservation (OPRHP).

I. Equipment Maintenance Requirements

1. Subrecipients must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

J. New York State Emergency Management Certification and Training Program

1. Participation in, and successful completion of, the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES-specified county and city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.

2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, subrecipients must arrange for DHSES-specified subrecipient employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the subrecipient will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day-cycle from the date of initial training for previously trained individuals if such person remains employed by the subrecipient and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES-specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.

3. Subrecipients must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Subrecipients must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the subrecipient to ensure that it is effective.

4. All subrecipients funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the subrecipient; and (2) the status of any corresponding subrecipient plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.

5. Additionally, pursuant to Article 26 of the NYS Executive Law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man-made disasters. Funded subrecipients agree to attend and participate in any DHSES-sponsored conferences, training, workshops or meetings (excluding those identified by DHSES as voluntary) that may be conducted, by and at the request of DHSES, during the life of the grant contract.

6. Failure to comply with any of the requirements, as listed above, may result in sanctions up to and including the immediate suspension and/or revocation of the grant award.

K. Computer Aided Dispatch (CAD)

1. New CAD system design and improvements to existing CAD systems must assure sufficient capacity for inclusion of all potential governmental users of the system. Potential governmental users may include, but not limited to, municipalities, neighboring counties, NY State Police, NY Department of Environmental Conservation, NY Park Police, and Metropolitan Transit Authority Police.

2. Subrecipient must assure that their contractual or procurement vehicle guarantees the ability of other potential governmental user to purchase CAD software licenses and other CAD related components.

L. Construction and Infrastructure

1. In those instances where a tower will be constructed using SICG funds, access and use of such tower by

State Agencies shall be at no-cost to the State. However all costs associated with the installation of operation of the State's user equipment shall be the sole responsibility of the State. Costs may include, but not be limited to: environmental assessments; structural assessments and tower reinforcement, if needed; costs associated with the licensing installation and operation of the State's user equipment, including electrical power and telecommunications lines.

2. When possible, the subrecipient shall provide emergency stand by power to support the State's user equipment. If the existing facility is not capable of supporting the State's needs, the subrecipient agrees to provide sufficient space for the installation and operation of a State-owned generator.

 GRANT CONTRACT

APPENDIX A-1

The Contract is hereby made by and between the State of New York, acting by and through the New York State Division of Homeland Security and Emergency Services (DHSES or State Agency) and the public or private entity ('Contractor' or 'Subrecipient') identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL TERMS AND CONDITIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

K. **Interpretation:** The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by

the State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f. Force Majeure: The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure'. For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

a. Service of notice: Written notice of termination shall be sent by:

a. Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b. The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Contract after its termination date.

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

- a. the repayment to the State of any monies previously paid to the Contractor; or
- b. the return of any real property or equipment purchased under the terms of the Contract; or
- c. an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.
4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.
7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, 'Full Execution' shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Appendix C (Payment and Reporting Schedule).

For simplified renewals, the payment schedule (Appendix C) will be modified as part of the renewal process.
4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent

claims listed in Appendix C (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Contract in accordance with this Section and the applicable claiming schedule in Appendix C (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Appendix B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2. Consistent with the selected reimbursement claiming schedule in Appendix C (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:

a. Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event. Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Appendix C (Payment and Reporting Schedule). DHSES shall make milestone payments subject to the Contractor's satisfactory performance.

e. Fee for Service Reimbursement:⁴ Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

3. The Contractor shall also submit supporting fiscal documentation for the expenses claimed.

4. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

5. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

6. All vouchers submitted by the Contractor pursuant to the Contract shall be submitted to DHSES no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by DHSES, and, if actual expenditures by the Contractor are less than such sum, the amount payable by DHSES to the Contractor shall not exceed the amount of actual expenditures.

7. All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

Where the Contractor does not have such number or numbers, the Contractor, on its voucher or Claim for Payment, must provide the reason or reasons for why the Contractor does not have such number or numbers.

2. The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The personal information is requested by the purchasing unit of DHSES contracting to purchase the goods or services or lease the real or personal property covered by the Contract. This information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York, 12236.

In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

F. Outstanding Amounts Owed to the State: Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

G. Program and Fiscal Reporting Requirements:

1. The Contractor shall submit required periodic reports in accordance with the applicable schedule provided in Appendix C (Payment and Reporting Schedule). All required reports or other work products developed pursuant to the Contract must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to DHSES in order for the Contractor to be eligible for payment.

IV. ADDITIONAL CONTRACTOR OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.

2. b. Upon written notice to the Contractor, and a reasonable opportunity to be heard with the appropriate DHSES officials or staff, the Contract may be terminated by the DHSES Commissioner, or his or her designee at the Contractor's expense where the Contractor is determined by the DHSES Commissioner, or his or her designee, to be non-responsible. In such event, the Commissioner, or his or her designee, may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

3. DHSES shall make payments and any reconciliation in accordance with the Payment and Reporting Schedule (Appendix C). 6. The Contractor's employment of a consultant must be supported by a written Contract executed by the Contractor and the consultant. A consultant is defined as an individual or organization hired by the Contractor for the stated purpose of accomplishing a specific task relative to the funded project. All consultant services must be obtained in a manner that provides for fair and open competition. The Contractor shall retain copies of all solicitations seeking a consultant, written Contracts and documentation justifying the cost and selection of the consultant, and make them available to DHSES upon request. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of the consultant as if it were its own. Failure to follow these guidelines may result in a disallowance of costs.

7. Additionally, Contractor must adhere to the following guidelines at a minimum when making all procurements, including consultant services. Failure to follow these guidelines may result in a disallowance of costs.

a. A Contractor who proposes to purchase goods or services from a particular vendor without competitive bidding must obtain the prior written approval of DHSES. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. to DHSES upon request. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsible bidder or best value).

This access for other agencies must be permitted to support operational and interoperable goals, and without restriction as to specific manufacturers' subscriber equipment. All reasonably compatible subscriber equipment must be permitted to be operated on your system by outside agencies, thus allowing coordinated efforts between local and state public safety/public service agencies and maximizing resources and capabilities.

h. DHSES reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant Contracts between the Contractor and DHSES or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or federal laws or regulatory provisions or, if in DHSES' judgment, the services provided by the Contractor under the Contract are unsatisfactory or untimely.

i. DHSES shall provide the Contractor with written notice of noncompliance.

ii. Upon the Contractor's failure to correct or comply with the written notice by DHSES, DHSES reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract.

i. DHSES reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with these terms.

j. As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of 'persons' who are engaged in 'investment activities in Iran' (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

i. By entering into this Contract, Contractor (or any assignee) certifies in accordance with State Finance Law §165-a that it is not on the 'Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012' ('Prohibited Entities List') posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>.

ii. Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

iii. During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

V. FEDERALLY FUNDED GRANT REQUIREMENTS

A. Hatch Act. The Contractor agrees, as a material condition of the Contract, to comply with all applicable provisions of the Hatch Act (5 U.S.C. 1501 et seq.), as amended.

B. Requirement for System of Award Management: Unless you are exempted from this requirement under 2 CFR 25.110, you as the subrecipient must maintain the currency of your information in the System of Award Management (SAM) until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term. Pursuant to section 2 CFR §200.210(a)(2), Contractors must maintain a current unique entity identifier prior to and during the life of the Contract.

Failure to make required disclosures can result in any remedy available to DHSES for Contractor's noncompliance, including suspension or debarment.

D. The Contractor must ensure that, for all contracts entered into by the Contractor, the contract provisions required by 2 CFR §200.326 (and Appendix II to 2 CFR Part 200) are included in such contracts. The Contractor further agrees to impose and enforce this requirement for any Contractor subaward agreements.

E. Where advance payments are approved by DHSES, the Contractor agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B. The advanced funds must be placed in an interest-bearing account and are subject to the rules outlined in 2 CFR Part 200, (Uniform Administrative Requirements for Grants and Cooperative Contracts to State and Local Governments) which require Contractors to promptly remit back to the federal government, through New York

State Division of Homeland Security and Emergency Services, any interest earned on these advanced funds. The Contractor may keep interest earned up to \$500 per federal fiscal year for administrative expenses. This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

F. Audit Requirements. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable federal, State, and DHSES guidelines.

H. Administrative, Cost and Audit Requirements: The Contractor must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements. Failure to do so may result in disallowance of costs upon audit. A list of regulations and guidance applicable to United States Department of Homeland Security (DHS) grants are listed below:

2. Affirmative steps must include:

- a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
- e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to

become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

L. Single Audit Requirements: For audits of fiscal years beginning on or after December 26, 2014, recipients that expend \$750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of GAO's Government Auditing Standards, located at <http://www.gao.gov/govaud/ybk01.htm>, and the requirements of Subpart F of 2 C.F.R. Part 200, located at <http://www.ecfr.gov/cgi-bin/text-idx?SID=63811dc3410c008e2f8e28c325cdc09e&mc=true&node=sp2.1.200.f&rgn=div6>.

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend \$500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's Government Auditing Standards, located at <http://www.gao.gov/govaud/ybk01.htm>, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, located at https://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf.

The final report for such audit must be completed within nine months of the end of the Contractor's fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with such grant support.

following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record (s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of \$5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

Special Conditions**I. ALL GRANT FUNDS:**

Federal grant funds provided are a subaward of Homeland Security Grant Program (HSGP) funds awarded to the New York State Division of Homeland Security and Emergency Services (DHSES) from the U.S. Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA).

A. Permissible Use of Funding

1. HSGP funds must be used in accordance with the guidelines set forth in the HSGP Notice of Funding Opportunity, which can be located at <http://www.fema.gov/preparedness-non-disaster-grants>.

2. All expenditures under this grant must support the Goals and Objectives outlined in the 2014-2016 NYS Homeland Security Strategy and approved investment justifications. New York State's Homeland Security Strategy can be located on the DHSES website at <http://www.dhSES.ny.gov/planning/#strat>.

3. Designated Urban Areas under the Urban Areas Security Initiative (UASI) must have a charter document on file with the Federal Emergency Management Agency (FEMA) prior to drawing down UASI funding. The charter must address critical issues such as membership, governance structure, voting rights, grant management and administration responsibilities, and funding allocation methodologies.

B. Record Requirements

1. Subrecipients shall keep an agenda and meeting minutes on file for all meetings conducted regarding HSGP funded activities.

2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for HSGP as listed on the Authorized Equipment List (AEL) (<http://www.fema.gov/media-library/assets/documents/101566>).

2. Subrecipients are responsible to request a determination of eligibility from the U.S. Department of Homeland Security (DHS), through DHSES, for any equipment item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS adopted standards to be eligible for purchase using HSGP funds.

3. The New York State Communication Interoperability Plan (SCIP), as well as DHS Grant Guidance for grant funding, requires that all interoperable communications equipment must be on the Authorized Equipment List (AEL) and that the use of APCO P 25 compliant equipment is a recommended technology to achieve emergency interoperable communications.

D. Training & Exercise Related Activities

1. Any non DHS training course to be supported by this award must be submitted in advance to DHSES for written approval.

2. All exercises conducted must be managed and executed in accordance with the Homeland Security Exercise and Evaluation Program (HSEEP). An After Action Report/Improvement Plan (AAR/IP) must be prepared and submitted to DHSES following every exercise, regardless of type or scope. AAR/IPs must

conform to the HSEEP format and must be submitted within 60 days of completion of the exercise.

3. Subrecipients are required to be NIMS compliant. DHSES requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

E. Law Enforcement Requirements

1. Subrecipients that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.

2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.

3. Subrecipients further agree to consult with the NYSIC to ensure agency participation and inclusion in New York State's Field Intelligence Officer (FIO) Program.

F. EHP Requirements

1. Subrecipients shall comply with all applicable federal, State, and local environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).

2. Failure of subrecipients to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize federal funding. Subrecipients shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings. Subrecipients must comply with all conditions placed on the project as the result of the EHP review.

3. Any change to the approved project scope of work will require re evaluation for compliance with these EHP requirements.

4. If ground disturbing activities occur during project implementation, subrecipients must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, such subrecipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office.

5. Any construction activities that have been initiated prior to the full environmental and historic preservation review could result in non compliance finding. For your convenience, the screening form is available at: <http://www.dhSES.ny.gov/grants/eph.cfm>.

G. Equipment Maintenance Requirements

1. Subrecipients must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

H. New York State Emergency Management Certification and Training Program

1. Participation in and successful completion of the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES specified county and

city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.

2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, subrecipients must arrange for DHSES specified subrecipient employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the subrecipient will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day cycle from the date of initial training for previously trained individuals if such person remains employed by the subrecipient and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.
3. Subrecipient must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Subrecipients must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the subrecipient to ensure that it is effective.
4. All subrecipients funded through this program agree to provide DHSES, upon request at any time during the life of the grant contract, such cooperation and information deemed necessary by DHSES to ascertain: (1) the nature and extent of any threats or hazards that may pose a risk to the subrecipient ; and (2) the status of any corresponding subrecipient plans, capabilities, or other resources for preventing, protecting against, mitigating, responding to, and recovering from such threats or hazards.
5. Additionally, pursuant to Article 26 of the NYS Executive law, DHSES is authorized to undertake periodic drills and simulations designed to assess and prepare responses to terrorist acts or threats and other natural and man made disasters. Funded subrecipients agree to attend and participate in any DHSES sponsored conferences, training, workshops or meetings (excluding those identified by DHSES as voluntary) that may be conducted, by and at the request of DHSES, during the life of the grant contract.
6. Failure to comply with any of the requirements, as listed above, may result in sanctions up to and including the immediate suspension and/or revocation of the grant award.

Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.

In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded

the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not

limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. **STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than

five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2¹, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2², Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

E. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Master Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

F. Modifications: To modify the Attachments or Face Page, the parties mutually agree to record, in writing, the terms of such modification and to revise or complete the Face Page and all the appropriate attachments in conjunction therewith. In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and

¹ To the extent that the modifications to Attachment A-2 are required by federal requirements and conflict with other provisions of the Master Contract, the modifications to Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I(V).

OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

G. Governing Law: The Master Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

I. Interpretation: The headings in the Master Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Master Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
 - a) by certified or registered United States mail, return receipt requested;
 - b) by facsimile transmission;

2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).
3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).
4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.
5. The parties may, from time to time, specify any new or different e-mail address, facsimile

number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

K. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

L. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

M. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

O. Legal Action: No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under

the Master Contract. The term “regulatory action” shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

P. No Arbitration: Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Q. Secular Purpose: Services performed pursuant to the Master Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

R. Partisan Political Activity and Lobbying: Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

S. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.³

T. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

U. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State's intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

C. Termination:

1. Grounds:

- a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.
- c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

- a) Service of notice: Written notice of termination shall be sent by:
 - (i) personal messenger service; or

(ii) certified mail, return receipt requested and first class mail.

b) Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

(i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

(ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. *Effect of Notice and Termination on State's Payment Obligations:*

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

4. *Effect of Termination Based on Misuse or Conversion of State or Federal Property:*

Where the Master Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

a) the repayment to the State of any monies previously paid to the Contractor; or

b) the return of any real property or equipment purchased under the terms of the Master Contract; or

c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time

as the State issues a formal written notice authorizing a resumption of performance under the Master Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, the State Agency agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Master Contract shall not be reimbursed.
3. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.
4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of the State Agency, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments.
5. If travel expenses are an approved expenditure under the Master Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.
7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).
2. Advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page.
3. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year. For simplified renewals, the payment schedule (Attachment D) will be modified as part of the renewal process.
4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Attachment D (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Master Contract in accordance with this Section and the applicable claiming schedule in Attachment D (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Attachment B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

Failure to comply with the provisions of the law may result in the imposition of a monetary penalty of up to \$1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this AGREEMENT, the CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The CONTRACTOR agrees that it will require that the language of this certification be included in any subawards which contain provisions for children's services and that all subrecipients shall certify accordingly.

3. Certification Regarding Debarment and Suspension: Regulations of the Department of Health and Human Services, located at Part 76 of Title 45 of the Code of Federal Regulations (CFR), implement Executive Orders 12549 and 12689 concerning debarment and suspension of participants in federal programs and activities. Executive Order 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. Executive Order 12689 extends the debarment and suspension policy to procurement activities of the federal government. A person who is debarred or suspended by a federal agency is excluded from federal financial and non-financial assistance and benefits under federal programs and activities, both directly (primary covered transaction) and indirectly (lower tier covered transactions). Debarment or suspension by one federal agency has government-wide effect.

Pursuant to the above-cited regulations, the New York State Department of Health (as a participant in a primary covered transaction) may not knowingly do business with a person who is debarred, suspended, proposed for debarment, or subject to other government-wide exclusion (including any exclusion from Medicare and State health care program participation on or after

August 25, 1995), and the Department of Health must require its prospective contractors, as prospective lower tier participants, to provide the certification in Appendix B to Part 76 of Title 45 CFR, as set forth below:

a) APPENDIX B TO 45 CFR PART 76-CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS

Instructions for Certification

- (i) By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- (ii) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- (iii) The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- (iv) The terms *covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules Implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- (v) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

- (vi) The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions.
- (vii) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded From Federal Procurement and Non-procurement Programs.
- (viii) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (ix) Except for transactions authorized under paragraph "e" of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

b) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

- (i) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department agency.
- (ii) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

EARLY INTERVENTION ADMINISTRATION WORK PLAN

October 1, 2015 - September 30, 2016

The mission of the statewide Early Intervention Program (EIP) is to identify and evaluate as early as possible those infants and toddlers whose healthy development is compromised and provide appropriate intervention to improve child and family development.

Local governments have responsibility for administering the EIP, subject to regulations of the Commissioner of Health, Subpart 69-4 of subchapter H of Chapter II of Title 10 (Health) of the Official Compilation of Codes, Rules and Regulations of the State of New York. Administrative funds are provided to all municipalities to offset costs incurred in the implementation of the EIP, exclusive of due process costs. This funding is contingent upon a municipality's compliance with the following work plan developed by the Department:

Work Plan Responsibilities of Municipalities for 2015-2016:

Public Awareness and Child Find

Municipalities will ensure that primary referral sources are aware of their responsibilities; that required provisions related to initial service coordination are implemented; and that procedures to complete evaluations, determine eligibility, and report eligibility determinations are implemented according to all regulatory requirements.

To accomplish this, municipalities will:

- Establish a single point of entry for referral of children who are at risk for developmental delays or potentially eligible children to the EIP and have a process in place for immediate referral of children suspected of having a developmental delay to the Early Intervention Official/Designee (EIO/D) if public health officers are designated to receive referrals.
- Disseminate public awareness materials and materials related to the EIP and Child Health Plus (including standardized referral forms to be used by primary referral sources, e.g., hospitals, pediatricians, day care providers, etc.) and promote local awareness of the EIP.
- Educate health care providers and primary referral sources about the importance of developmental screening, the availability of the EIP, and the requirement to refer children under the age of three years suspected of or at-risk for developmental disability to the EIO in the municipality that the child resides.
- Establish a working relationship with child protection agencies regarding the Child Abuse Prevention and Treatment Act and address referral and screening requirements for

children under three years of age who are subjects of substantiated cases of abuse and neglect.

- Make other reasonable efforts to identify and locate children within the municipality who are potentially eligible for the EIP.
- Promote a local process to engage children in the primary health care system, including:
 - coordinating efforts to locate and recover at-risk children who have been disengaged from the primary health care system and reengage those children in primary care where they will receive periodic developmental surveillance and screening;
 - establishing linkages to other county health/community programs that currently have the responsibility to track at-risk children, and ensure that these children are followed and receive periodic developmental surveillance through those programs; and,
 - conducting follow-up activities with infants who have been referred by a hospital or have failed the initial newborn hearing screening and have not had a second screening.
- Ensure that any direct developmental screening conducted by the municipality is only conducted as a last resort, is not duplicative, and is provided only to children who have been identified as outside the primary health care system who cannot be reengaged in that system successfully. Because children who are suspected of having a developmental delay or disability are entitled to a multidisciplinary evaluation, municipalities cannot “prescreen” or “rescreen” them (e.g., complete a developmental screening such as the ASQ or other type of screening) to determine whether an evaluation should be completed or what type should be administered.
- Ensure that parents are fully informed of and understand their rights and entitlements under the EIP, including providing *The Early Intervention Program: A Parent’s Guide* to parents by mail or other suitable means within seven business days, and communicating in the family’s dominant language unless it is clearly not feasible to do so.
- Ensure that the municipality appropriately designates in writing an initial service coordinator (SC) (State-approved service providers) for each referred child, and that the initial SC performs required activities, including:
 - arranging a contact with the parent within five business days of receipt of referral from the EIO/D in a time, place and manner reasonably convenient for the parent;
 - assisting the parent in identifying and applying for Medicaid or other public benefit programs (such as Child Health Plus or SSI) for which the family may be eligible;
 - informing parents of potentially eligible children of their rights under the EIP;
 - collecting information necessary to establish third-party coverage for eligible children, including Medicaid, Child Health Plus, and commercial insurance;
 - assisting parents in gaining access to a multidisciplinary evaluation for their child for the purpose of determining eligibility according to regulatory requirements, including providing parents with all options for evaluation and objectively reviewing with parents evaluation options to allow them to make an informed choice regarding the evaluator's specialties, availability, and location: and

- In consultation with the evaluator and with parent consent, notify regional offices of the Office of People with Developmental Disabilities (OPWDD) if a child is found to be potentially eligible for services under that agency.
- Ensure that the parent and municipality receive the evaluation report in a timely manner prior to the initial Individualized Family Service Plan (IFSP) so the IFSP meeting can be held within 45 days of the child's referral.
- Ensure that only eligible children receive IFSP services.

Family-Centered Services

Municipalities will ensure that the development and implementation of the IFSP is timely, meets all regulatory requirements, and that parents are involved in the planning and evaluation of service delivery.

To accomplish this, municipalities will:

- Ensure that the EIO/D provides for adequate time before the meeting date so that the family and other participants will be able to attend.
- Ensure that the EIO/D sends timely written notice (two or more days before the meeting) of all IFSP meetings to required participants.
- Ensure that the EIO/D and all other required members participate in IFSP meetings, including six-month reviews. IFSP reviews can be conducted by an in-person meeting or other means agreed to by the parent that may include a telephone or video conference call or record review and written correspondence.
- Ensure that initial IFSPs are completed in a timely manner so that IFSPs are in compliance with the 45-day timeline from date of referral and that it is documented in the child's record and in the EI data system (KIDS/NYEIS) if the timeline is not met.
- Ensure that the development of IFSPs meet all regulatory requirements for every eligible child, including that IFSPs are held within the required time frames and that it is documented in the child's record and in the EI data system (KIDS/NYEIS) if the timeline is not met.
- Ensure that services agreed upon between the parent and EIO/D are clearly stated, in writing, in IFSPs authorized by the municipality.
- Ensure that due process rights of mediation, impartial hearing, and system complaints are provided to the parent whenever there is a dispute regarding services.
The municipality is responsible for:
 - notifying the community dispute resolution center of the parent /guardian request:
 - being an active participant in the resolution of a dispute, including being available for

- attendance during mediations and impartial hearings; and,
 - cooperating with the system complaint process including the development of an acceptable corrective action plan which ensures continued compliance with statute and regulation.
- Ensure that parents understand that they may accept or decline any early intervention service without jeopardizing other early intervention services.
 - Secure written parental permission for the confidential exchange of information among parents, evaluators, service providers, service coordinators, and/or other individuals according to federal and state law and regulation.
 - Ensure that families are included in all aspects of the early intervention process and have the services needed to maximize their involvement.

Service Delivery and Natural Environments

Municipalities will be responsible to ensure that services are individualized and delivered in accordance with the IFSP in environments appropriate to the unique needs of the child, and in a timely fashion.

To accomplish this, municipalities will:

- Ensure that all models of early intervention service delivery (home/community-based individual/collateral visits, office/facility-based individual/collateral visits, parent-child groups, group developmental interventions, family/caregiver support groups) are continuously available.
- Ensure that services specified in IFSPs, including any amendments, begin within 30 days of the effective date of the IFSP period and are provided continuously for the entire period that the IFSP is in effect.
- Ensure that all services use an individualized approach for both children and their families, including consideration and respect for cultural, ethnic, and other individual and family characteristics and lifestyles.
- Ensure that services are provided in home and community based settings to the maximum extent appropriate for the needs of the eligible child and, if services are not provided in natural environments, an explanation is provided in the IFSP. Natural environments include settings that are natural or normal for the child's age peers who do not have disabilities, including the home, a relative's home when child care is provided by the relative, a child care setting, or other community settings in which children without disabilities participate.
- Ensure that procedures are in place to change a service provider and to provide appropriate notification to the parent and other providers delivering IFSP services. The procedure implemented does not require an IFSP amendment for a change in the provider of record

and any process implemented must not delay service provision.

Delivery of Transportation and Respite Services

Municipalities will be responsible to ensure that respite and transportation services are individualized and that these services are delivered in accordance with the IFSP and delivered in a timely fashion.

To accomplish this, municipalities will:

- Ensure that procedures are in place to ensure that respite services are available and that an established criterion to authorize respite services is in place when needed by the family.
- Ensure that procedures are in place to ensure that transportation services are available when needed by the family.

Transition

Municipalities will ensure that a transition plan is created for all children, with the family, and is included in the child's record/IFSP; that transition steps occur within the required timelines; that gaps in services do not occur for children who are potentially eligible for services under section 4410 of the Education Law; and that referrals to other appropriate early childhood programs are made.

To accomplish this, municipalities will:

- Ensure that children thought to be potentially eligible for services under Section 4410 of the Education Law can smoothly transition from the EIP to the Preschool Special Education Program.
- Ensure that a transition plan to other childhood and support services is developed and implemented for children determined not eligible by the CPSE and that parents are assisted to access such services.
- Ensure that children determined not eligible by the CPSE are discharged from the EIP by their third birthday.

Administration

Municipalities will strive to continuously improve the administration of the EIP in an effort to enhance the quality of services and payment of services.

To accomplish this, municipalities will:

- Comply with all federal and state laws and regulations regarding submission of data.

- Ensure that proper procedures exist to resolve disputes or complaints and parents are made aware of their rights to due process procedures to resolve such disputes or complaints through mediation and an impartial hearing.
- Ensure that proper procedures exist to maximize third-party reimbursement for services by ensuring that children's social security numbers, Medicaid enrollment status, identification numbers, and/or information of any other insurance or health benefits plan is obtained upon initial referral or as early as possible, and maintained in a confidential manner and that data is timely entered into the Department's data systems (NYEIS and KIDS).
- Establish an electronic funds transfer for county escrow payments by April 1, 2014
- Provide notification to the Department regarding fiscal audits that will be or have been conducted by the municipality and ensure that the final results of fiscal audits are immediately reported to the Department according to regulatory requirements.
- Report immediately to the Department violation(s) of any known statute or regulation.
- Develop and implement activities to oversee and improve the administration of the program, including:
 - ensuring that Local Early Intervention Coordinating Councils (LEICCs) meet EIP regulatory requirements regarding public notice, composition, activities, and reporting;
 - including the LEICC in assessing local service delivery capacity and identifying gaps in available qualified personnel and unmet service needs;
 - developing mechanisms to support parents of young children with a developmental delay to participate in collaborative planning and policy development efforts with the municipality and state;
 - ensuring that the municipality maintains early intervention records consistent with the early intervention records guidance document issued by the Department;
 - ensuring that municipal policies are consistent with federal provision of Part C of the IDEA and by CFR Part 303 and state law and regulation;
 - using the EIP computerized data system provided by the Department to enter valid data into all required data fields in a timely fashion;
 - identifying and reporting to the Department eligible foster or homeless children through the data system (KIDS/NYEIS);
 - routinely transmitting data, including electronic data transfers, in a method and to a location defined by the Department as detailed in Section D. of Project Specific Reporting Requirements;
 - providing data and other information mandated by specific legislation or otherwise required by the Department for administrative purposes; and
 - conducting ongoing data validation, including providing timely corrections when invalid data is identified by the Department.
- Implement proper procedures to protect the confidentiality of early intervention records and

personally identifiable information of children and their families within the municipality and by service providers according to FERPA and EIP regulations, and applicable federal requirements.

- Participate in monitoring and quality assurance activities, including:
 - providing data, completing surveys, and conducting other activities that provide information about local program performance needed for federal or state monitoring and quality assurance initiatives and reports;
 - providing access to documents and personnel for municipal or provider monitoring, audits, investigations, or other reviews conducted by the State or its agents;
 - participating in State monitoring reviews, as resources allow.

- Ensure that procedures are in place in accordance with EIP regulations for children in care, including:
 - establishing agreements with local social services districts to identify children in need of a surrogate parent and ensuring prompt designation of a qualified surrogate parent; and
 - ensuring that information about children in care, including the IFSP, is transmitted to the municipality of residence.

- Utilize the centralized management information system, New York Early Intervention System (NYEIS), in the manner prescribed by the Department and the Bureau of Early Intervention.

HEALTH & HUMAN SERVICES
WAYS & MEANS

Dear Mr. Picente:

Date 10/23/15

The Preschool Special Education program is for children 3 and 4 years of age with learning delays and disabilities. The program offers evaluations and a variety of special support services which will help take full advantage of a child's learning potential.

In 2015 we are experiencing an increase in referrals received by school districts for evaluations. As a result we are anticipating a deficit in the A2960.1952 – Evaluations account.

We are, therefore, requesting the following transfer for the 2015 fiscal year:

From: A2960.4956 – Tuition	\$42,000
To: A2960.1952 – Evaluations	\$42,000

Please request the Board of Legislators to act upon the above-mentioned transfer.

If you have any questions, please do not hesitate to contact me.

Sincerely,

- c. The Contractor is responsible for screening individuals through the SCR regardless of whether an individual has been screened through the SCR for employment or contract with another County or agency provider.
- d. The Contractor will not permit unsupervised contact between child and any potential employee or contractor before receiving a completed clearance and acceptable response from SCR.

The Contractor will comply with SCR regulations in not screening employees more than once every six months, and one time only to the extent required by section 424-A of the Social Service Law for contractors, consultants and volunteers.

10. REPORTING REQUIREMENTS

- a. Contractor employed therapists shall be presently qualified to provide Related Services in New York State and shall submit copies of all appropriate license(s) or certification(s) to the County and update these as necessary during the term of this Contract.

It is not acceptable for the ordering or referring professional never to have met with the child as it is incompatible with the obligations of the ordering practitioner to assure that the ordered care, services or supplies will meet the recipients needs and restore him/her to the best possible functional level. Physician, physician assistants or nurse practitioner's orders must be dated on or before the initiation of service.** No direct or consultation services will be permitted unless an appropriately written prescription is obtained. A copy of this prescription must also be forwarded to the County with the initial bill.
- d. **Physical Therapists** must obtain a signed prescription (order/ recommendation) from a physician, physician assistant or nurse practitioner which denotes an ICD code.
- e. **Occupational therapists** must obtain a signed prescription (order/recommendation) signed and dated by a licensed physician or nurse practitioner which denotes an ICD code.

- h. The Contractor shall submit an attendance and progress note for each session the child received Related Services on a monthly basis at the minimum, or with the invoice, whichever is presented first. **All progress notes submitted must also have the signature and National Provider Identification number (NPI#) of this licensed individual and title as well as the direct service provider and title.**
- i. The Contractor shall call the CPSE chairperson for a program review if services cannot be delivered as indicated on IEP due to child's absence, or if the therapist recommends a change in service or discharge.
- j. The Contractor shall forward a copy of all documentation and justification for 12-month programming to the County and the CPSE prior to any scheduled program review or annual review, whenever such is recommended.
- k. The Contractor shall meet with the child's parent/guardian at such times as appropriate during the year to discuss goals and progress. Whenever services are to be delivered in conjunction with a general education preschool program, the Contractor shall work with the program by communicating with staff, parents, school district and other therapists. An attempt will also be made to provide parent/guardian with follow up materials to be used at home to reinforce delivery of related services.
- l. The Contractor shall inform the parent/guardian of his/her responsibility to ensure that the child's attendance enables him/her to benefit from the related services provided. The parent/guardian should be made aware of the need to alert the Contractor in a timely manner when the child will be absent or not available for Related Services if provided in the home.
- m. If two or more Related Services are required for a child, the CPSE Chairperson shall select one of the therapists to act as a Coordinator of Service. If the CPSE determines that a Special Education Itinerant Teacher (SEIT) is to be provided in conjunction with one or more Related Services, the SEIT shall be responsible for the coordination of such services pursuant to Regulations of the Commissioner of Education. Compensation for such services is to be part of the SED established rates for the SEIT model.
- n. The Contractor's progress notes addressing goals and objectives on the IEP must be completed quarterly. A copy of the progress notes must be provided to the parent, the CPSE Chairperson and the County.

- o. Upon expiration of the term of the contract, all files and records shall be retained by the Contractor for six (6) years from the last date of payment under this contract.

11. RESPONSIBILITIES OF THE COORDINATOR OF SERVICE

- a. When two or more Related Services are mandated (not in conjunction with SEIT), the CPSE Chairperson will designate the coordinator of services from the list of approved Related Service providers maintained by the County. The coordinator must be one of the individuals/agencies providing Related Services to the child, as specified by the CPSE. It is suggested that, to the extent possible, service providers be selected from the same agency. It is the responsibility of the coordinator to stay thoroughly informed on all facets of the services provided to the child. In addition to duties as outlined in the section covering Reporting Requirements above, the designated coordinator will perform appropriate coordination activities including but not limited to:
 - Arranging the schedule for service delivery, offering recommendations and consulting with the CPSE chairperson to resolve scheduling issues when appropriate.
 - Sharing appropriate information with other Related Service providers for the appropriate integration of such services.
 - Gathering appropriate progress reports and anecdotal information relating to the student's progress from all Related Service providers to ensure that the Coordinator has a general knowledge of the child's progress, as well as any significant considerations, in the Related Service area.
 - Attend Annual Review meeting and other meetings, if requested by the CPSE chairperson. The coordinator is responsible to have all information on the child's progress and needs and is expected to represent the other therapists involved in the child's care at the CPSE meetings.
 - Conducting activities such as telephone conferences or other communication practices. Coordination activities must be documented and reported in half-hour service blocks on the Coordination Service Form.
 - Coordination services can be provided only by a licensed speech pathologist, physical therapist and occupational therapist.
- b. Billing for Coordination services shall not exceed 10 sessions during the school year (September – June) and 2 sessions during a summer program (July – August) per child. One (1) session or service block consists of a half-hour and will be paid at the rate indicated under the ONEIDA COUNTY RELATED SERVICE RATES SCHEDULE. Each date of contact and length of time claimed for coordination during the month must be listed and identified. Periods of less than a half-hour block may be combined into half-hour service blocks of coordination services for billing purposes.

12. MAKE UP POLICY

- a. **Reporting Absences**
Habitual absences by the student should be reported to the school district (CPSE) and the Special Education Itinerant Teacher (SEIT) if the child receives SEIT services; if the child receives two or more Related Services, habitual absences shall be reported to the assigned Related Service coordinator appointed by the CPSE Chairperson.
- b. **Student Absence or Cancellation**
There shall be no makeup for therapy sessions provided under 4410 services which are missed due to a child's absence or cancellation (with or without notice). If a child's illness will necessitate canceling of service for several consecutive sessions, please request the parent/guardian call you to commence Related Services.
- c. **Therapist Absence or Cancellation**
Related Services which are missed due to the absence or cancellation of the therapist may be made up if the parent consents and the therapist's schedule permits. The makeup sessions must take place within the same week the Related Service was missed.
- d. **Prolonged Absence of Therapist**
When the therapist is absent for a prolonged period of time, the school district should be notified. The school district is responsible for arranging the replacement for the absent therapist. The school district is responsible for notifying the County of any change of a Related Service provider prior to the change so the County may give the new provider permission to begin services.

e. **Holidays and Other School Closings**

The Contractor will follow the calendar of the local school district in which the child resides. Therefore, holiday and other school closings of that particular school district will apply. When Related Services are provided in a mainstream preschool setting, the preschool calendar will be followed except where written prior arrangements have been mandated by the school district and approved by the County.

f. **Limitations on Scheduling Therapy Makeup Sessions**

Make up sessions must be clearly documented on the appropriate session notes with reasons for the makeup session.

13. INSURANCE

The Contractor shall maintain a professional liability policy and will provide the County with proof of coverage in the amount of \$1,000,000 per incident and \$3,000,000 aggregate. The Contractor shall also maintain general liability insurance and will provide County with proof of coverage in the amount of \$1,000,000 per incident and \$3,000,000 aggregate. The Contractor agrees to have the County named as an "additional insured", on a "primary, non-contributory basis, as its interests may appear" on the general liability policy and to provide the County with certificates from said insurance company or companies showing the proof of insurance as stated heretofore. The County reserves the right to require Contractor to provide insurance policies for review by the County. The Contractor grants the County a limited power of attorney to communicate with Contractor's insurance provider and/or agent for the express purpose of confirming the coverages required hereunder.

14. INDEMNIFICATION

The Contractor agrees that it shall defend, indemnify and hold harmless the County from and against all liability, damages, expenses, costs, causes of actions, suits, claims or judgments arising, occurring or resulting from property damage, personal injuries or death to persons arising, occurring or resulting from or out of the work of the Contractor or its agents, contractors, subcontractors, servants or employees, and from any loss or damage arising, occurring or resulting from the acts or failure to act or any default or negligence by the Contractor or failure on the part of the Contractor to comply with any of the covenants, terms or conditions of this contract.

15. EXCLUSIVITY

- a. The County retains the right to reassign children receiving Related Services under the terms of this contract to other Contractors or its own employees.
- b. The County retains the right to contract with other independent contractors for such services which are the same or similar to those provided by the Contractor, or to provide such services to its eligible children through its own employees. The Contractor retains the right to provide services directly or indirectly through contract with another agency, to persons who are not classified preschool aged children with a disability receiving Related Services in Oneida County.

16. CONTRACTOR STATUS

- a. It is intended by both the Contractor and the County that the Contractor's status be that of an independent contractor, and that nothing in this contract be construed to create an employer/employee relationship between the Contractor and the County. The Contractor shall not be eligible for compensation due to a) illness; b) absence due to normal vacation; c) absence due to attendance at school or special training or a professional convention or meeting.
- b. The County agrees not to withhold from the payments provided for services rendered for State or Federal income tax, unemployment insurance, worker's compensation, disability insurance or social security insurance (FICA). The Contractor will indemnify and hold the County harmless from all loss or liability incurred by the County as a result of not making such payments or withholdings.
- c. The Contractor understands, and represents to the County, that such insurance and tax payments are the sole responsibility of the contractor.
- d. If the Internal Revenue Service or any other governmental agency questions or challenges the Contractor's independent contractor status it is agreed that both the County and the Contractor shall have the right to participate in any conference, discussion, or negotiations with the governmental agency, irrespective of with whom or by whom such discussions or negotiations are initiated.
- e. The Contractor represents and agrees to comply with the requirements of the Civil Rights Acts of 1964 as amended, the Age Discrimination Employment Act of 1973 as amended, Executive order No. 11246, entitled "Equal Employment

Opportunity" as amended, by Executive Order No. 11375 and as supplemented in Department of Labor Regulations, 41 CFR Part 60.

- f. The Contractor agrees to comply with Federal and State Laws as supplemented in the Department of Labor regulation and any other regulations of the Federal and State entities relating to such employment and Civil Rights requirements.

17. SUBCONTRACT

The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this Contract (hereinafter, collectively, "the Records"). The Records shall include, but not be limited to, reports, statements, examinations, letters, memoranda, opinions, folders, files, books, manuals, pamphlets, forms, papers, designs, drawings, maps, photos, letters, microfilms, computer tapes or discs, electronic files, e-mails and attachments, rules, regulations and codes. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The County Comptroller, the County Attorney and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this Contract, shall have access to the Records during normal business hours at an office of the Contractor within the County or, if no such office is available, at a mutually agreeable and reasonable venue within the County, for the term specified above for the purposes of inspection, auditing and copying. The County shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (a) the Contractor shall timely inform an appropriate County official, in writing, that said records should not be disclosed; (b) said records shall be sufficiently identified; and (c) designation of said records as exempt under the Statute is reasonable. Nothing

contained herein shall diminish, or in any way adversely affect, the County's right to discovery in any pending or future litigation. Notwithstanding any other language, the Records may be subject to disclosure under the New York Freedom of Information Law, for other applicable state or federal law, rule or regulation.

b. Kickbacks. It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

The Contractor shall maintain all records required by this paragraph for 7 years after the date this agreement is terminated or ends.

If the Contractor has expended, in any fiscal year, \$300,000.00 or more in funds provided by a Federal financial assistance program from a Federal agency pursuant to this agreement and all other contracts with the County, the Contractor shall provide the County with an audit prepared by an independent auditor in accordance with the Single Audit Act of 1984, 31 U.S.C. §§ 7501, et seq., as amended, and the regulations adopted pursuant to such Act.

18. Certification of compliance with the Iran Divestment Act.

Pursuant Section 103-g of the General Municipal Law, by submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, each Bidder/Contractor, any person signing on behalf of any Bidder/Contractor and any assignee or subcontractor and, in the case of a joint bid, each party thereto, certifies, under penalty of perjury, that once the Prohibited Entities List is posted on the Office of General Services (OGS) website, that to the best of its knowledge and belief, that each Bidder/Contractor and any subcontractor or assignee is not identified on the Prohibited Entities List created pursuant to State Finance Law § 165-a(3)(b).

Additionally, the Bidder/Contractor is advised that once the Prohibited Entities List is posted on the OGS website, any Bidder/Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to this solicitation must certify at the time the Contract is renewed, extended or assigned that it is not included on the Prohibited Entities List.

During the term of the Contract, should the County receive information that a Bidder/Contractor is in violation of the above-referenced certification, the County will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that he/she/it has ceased engagement in the investment which is in violation of the Iran Divestment Act of 2012 within 90 days after the determination of such violation, then the County shall take such action as may be

appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the Bidder/Contractor in default.

The County reserves the right to reject any bid or request for assignment for a Bidder/Contractor that appears on the Prohibited Entities List prior to the award of a Contract and to pursue a responsibility review with respect to any Bidder/Contractor that is awarded a Contract and subsequently appears on the Prohibited Entities List.

Main Street, Morrisville, NY 13408 (“**Assignee**”).

RECITALS:

WHEREAS, Assignor is a party to a certain Agreement of Lease entered into between Assignor and Nickbern Enterprises, LLC, dated September 29, 2010, which Agreement of Lease was thereafter modified by way of a Modification of Lease dated March 1, 2013, both of which documents are annexed hereto and marked as Exhibits 1 and 2, respectively (the “**Lease**”).

WHEREAS, (a) Assignor desires to assign all right, title and interest of Assignor in and to the Lease to Assignee, and (b) Assignee desires to accept such assignment and assume all obligations of Assignor under the Lease, effective as of 12:01 a.m. on October 1, 2015 (the “**Effective Time**”).

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Assignment by Assignor**. Assignor hereby transfers, assigns and sets over to Assignee all right, title and interest of Assignor in and to the Lease as of the Effective Time. Assignor shall remain liable for all obligations relating to the Lease which arose or accrued prior to the Effective Time, and Assignor hereby indemnifies and agrees to defend and hold harmless Assignee and its trustees, officers, directors, partners, shareholders, members, employees, agents and their successors and assigns, from and against any and all losses, liabilities, damages, costs and expenses, including reasonable attorneys’ and other professionals’ fees (including a reasonable estimate of the allocable costs of in-house legal counsel and staff) (all such claims, losses, liabilities, damages, costs and expenses are “**Losses**”) incurred, paid, or required under penalty of law to be paid by Assignee by reason of the failure of Assignor to fulfill, perform or discharge any or all of the various commitments, obligations and liabilities of Assignor under the Lease which arose prior to the Effective Time.

2. **Acceptance and Assumption by Assignee**. Assignee hereby accepts the foregoing assignment of all right, title and interest of Assignor in and to the Lease and assumes and agrees to make all future payments as they come due under the Lease and to perform and observe all the agreements, covenants and conditions of the Lease on the part of Lessee to be performed and observed arising from and after the Effective Time. Assignee hereby indemnifies and agrees to defend and hold harmless Assignor and its respective officers, directors, partners, shareholders,

members, employees, agents and their successors and assigns, from and against any and all Losses incurred, paid or required under penalty of law to be paid by Assignor by reason of the failure of Assignee to fulfill, perform and discharge any or all of the various commitments, obligations and liabilities of Assignee under the Lease which arise or arose from and after the Effective Time.

The coordinator must be one of the individuals/agencies providing Related Services to the child, as specified by the CPSE. It is suggested that, to the extent possible, service providers be selected from the same agency. It is the responsibility of the coordinator to stay thoroughly informed on all facets of the services provided to the child. In addition to duties as outlined in the section covering Reporting Requirements above, the designated coordinator will perform appropriate coordination activities including but not limited to:

- a. **Reporting Absences**

- b. **Student Absence or Cancellation**
There shall be no makeup for therapy sessions provided under 4410 services which are missed due to a child's absence or cancellation (with or without notice).
