WAYS & MEANS

Dear Chairman Fiorini:

On October 31, 2019, catastrophic rainfall caused flooding and flood related damage to roads, waterways and municipal and private infrastructure and structures throughout Oneida County. I recognized the need for disbursement of financial resources in order to halt the damage and alleviate the effects of the storm, and I have appropriated and the Board of Legislators has approved \$1,000,000 for such efforts. \$500,000 was allocated for municipalities, while the remaining \$500,000 was allocated for individual assistance.

In the aftermath of the flooding, the Federal Emergency Management Agency declared federal funding would be made available to assist municipalities; however, individual assistance was not approved. In light of the Federal Government's decision, it becomes expedient and necessary to reallocate \$400,000 previously earmarked for municipalities to further assist individual residents in need.

Alicia Dicks, President and C.E.O. of the Community Foundation of Herkimer and Oneida Counties, Inc., previously volunteered the resources of the Community Foundation to the County for receipt and disbursement of those funds. Ms. Dicks has indicated that our program has been so successful that the demand for assistance has far exceeded the funds allocated thus far.

Therefore, in order to ensure the continued success of the program we have in place, and in an effort to address the Federal Government's decision to deny individual assistance, I am therefore requesting approval of the following Amendment between Oneida County and The Community Foundation of Herkimer and Oneida Counties, Inc.

I am available at your convenience to answer any questions you may have regarding this Amendment.

Sincerely,

Anthony J. Picente, Jr.

Dear Honorable Members:

As result of the Hurrel – Haring decision New York State has awarded The Oneida County Public Defender’s Office Criminal Division funding for the five years to improve the legal representation of the indigent population. The funding is to be used to help decrease caseloads for the attorneys and to do quality improvement through education and technology.

In order to make it easier to track and account for these expenses and assure the County gets reimbursed, it was decided to start a new cost center.

I therefore request your Board’s approval of the following 2020 supplemental appropriation for the General Fund:

TO:

Table with 3 columns: AA#, Description, Amount. Rows include Salaries, Office Equipment, Computer Equipment, etc., totaling \$918,110.00.

WAYS & MEANS

Dear Chairman Fiorini:

The construction phase of Cree's 480,000 square feet manufacturing plant is fast approaching. The excavation of the site is nearly complete, necessary permits have been secured and everything is a go. In order to facilitate transformation of the SUNY Park it is necessary to continue reconstruction of the SUNY Marcy Parkway, a county road previously known as Edic Road. The project limits will begin at the northerly roundabout entrance to Cree's site and extend northerly to Mulaney Road. This road extension is necessary to relieve anticipated traffic congestion and provide commercial/heavy vehicles safe and efficient access to New York State Route 12.

In order for Cree to meet its expected production schedule it is crucial to initiate this project as soon as possible. I therefore request your Board's approval for the following:

- A.) Establishment of **Capital Project H-618 – DPW – SUNY Marcy Parkway**
- B.) Funding for Capital Project H – 618 as follows:

H – 618 –5710 Bonding.....	\$7,000,000

WAYS & MEANS

Dear County Executive Picente:

Oneida County has been successful in its application for funding from Empire State Development for the Upper Mohawk Valley Memorial Auditorium Authority's Nexus Center Project in Downtown Utica. The project will build upon the existing assets of the Adirondack Bank Center to increase downtown reinvestment, employment and economic growth.

The incentive funding of \$22,000,000 (or 50% of Total Project Cost, whichever is less) will be utilized to construct a 169,400 square foot premier tournament-based recreation sporting epicenter in Downtown Utica. The Nexus Center will include various field sports including three sheets of ice, locker rooms, retail space and training rooms. The Incentive Proposal requires a \$250 application fee, along with a 1% commitment fee of \$220,000 at the time of application. If the enclosed meets with your approval, kindly forward to the Board of Legislators for consideration at their next meeting.

Thank you for your assistance in this matter.

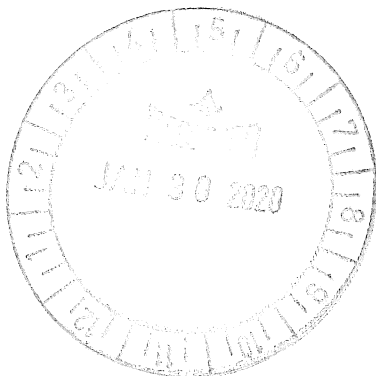

Sincerely,

Regina A. Venettozzi
Interim Commissioner

PUBLIC WORKS

WAYS & MEANS

Dear County Executive Picente,

Enclosed for your consideration is an Intermunicipal Agreement between the County and the Town of New Hartford for the reconstruction and improvement of the Chenango Road Bridge.

As you are aware, the Chenango Road Bridge over Sauquoit Creek has been closed repeatedly in recent years due to damage. The New York State Department of Transportation (NYSDOT) has a facility on Chenango Road, and has advocated for the reconstruction and improvement of the bridge to enable timely performance of its governmental objectives. Pursuant to Highway Law § 131-k, the County may finance the reconstruction and improvement of a town's bridge if it finds the bridge serves a vital transportation need of the County.

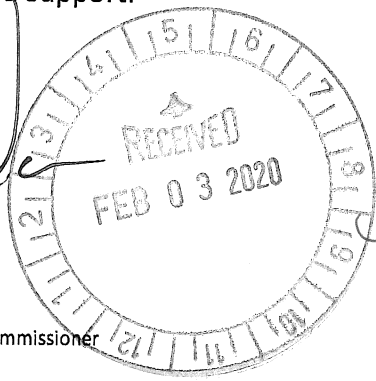

The Chenango Road Bridge is half owned and maintained by the Town of New Hartford and half owned and maintained by the City of Utica. This ownership structure creates complications. The NYSDOT agreed to finance 68% of the work on the Town of New Hartford side and 100% of the work on the City of Utica side. However, the NYSDOT required a local match. The County proposes to provide One Hundred Twenty Thousand dollars (\$120,000) budgeted for Oneida County Regional Assistance to match the Two Hundred Fifty Thousand dollars (\$250,000) provided by the NYSDOT for work on the New Hartford side. The term begins upon execution and ends December 31, 2020.

Please consider the enclosed Intermunicipal Agreement with the Town of New Hartford and if acceptable, forward to the Oneida County Board of Legislators for approval.

Thank you for your continued support.

Sincerely,

Dennis S. Davis
 Commissioner
