Honorable Members:

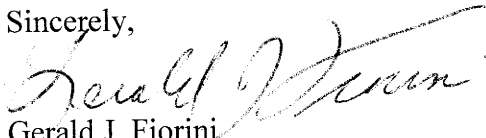

The Workers Compensation Committee is currently reviewing a contract with Lynn Milograno to administer the workers compensation plan until a suitable replacement is found. The decision to contract with Lynn was made in a bipartisan manner between the leadership of the Board, and this is intended to bridge the gap until a suitable replacement is selected. The delay in bringing this contract in front of you, and proceeding with the intent to hire a replacement was due to our exploration and research into the best format for the future of Worker's Compensation.

The contract with Lynn provides three major advantages that will assist Oneida County. The first advantage is to provide continuous coverage of new and ongoing worker's compensation cases. The second advantage is that it provides the new person with an experienced mentor during the transition period. When this individual has received the appropriate amount of training, we will exercise the 30 day termination clause. The third advantage is that Lynn's contract gives us the time to select the best possible replacement for the job.

As part of this process, I have asked the County Personnel Office to develop a job description for the position of Worker's Compensation Administrator, and will shortly ask the Board to create such position. After this position is created, it will be advertised and interviews will take place with the applicants. Our goal is to hire an individual by late spring. For these reasons, I encourage the Committee and Board to pass this contract.

Thank you in advance for your consideration. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Gerald J. Fiorini

WAYS & MEANS

Honorable Members:

During the Budget process the Board of Legislators approved on August 12th, 2009 to add a new part time (permanent) Senior Clerk position to the departments roster of the STOP-DWI Program with Resolution 273.

This position will be fully funded by the DWI fines collected throughout the Oneida County during the year. This position was unfortunately, not funded in the presented 2010 Budget submitted in July 2009 due to the fact the legislation had not yet been approved. The 2010 budget was also not amended to include the funding for this new position after it was approved by the legislators. Therefore it is necessary to do a supplemental transfer to cover the cost of this part time employee.

I therefore request your Board approve the following 2010 fund transfer:

TO:

AA# A3313.102 - Stop DWI, Temporary Help.....	\$ 9,368.
AA# A3313.830 - Stop DWI, Social Security.....	717
AA# A3313.850 - Stop DWI, Unemployment.....	24.
Total:	\$ 10,109.

FROM:

AA# A3313.4951 Stop DWI, Other Expenses.....	\$ 10,109.

WAYS & MEANS

MR. CHAIRMAN:

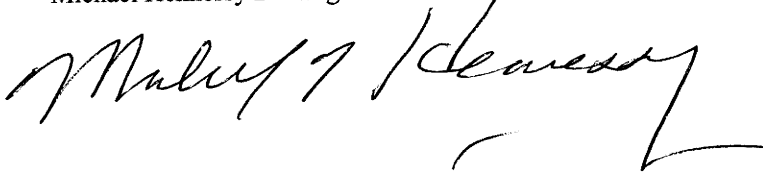

Please pass the following resolution to it's appropriate committees . The resolution calls on the county board to request the county executive to renegotiate the lease with Insight House. During these difficult financial times we must look at every possible cost savings measure or new revenue streams available in reducing the burden of our local taxpayers.

This lease already makes it very difficult for other providers of Substance Abuse Programs to compete against Insight House. By granting this unique one dollar a year lease. For such a lengthy period of time that very few or any legislators will see the termination. For which I have previously questioned the very wisdom of this lease. While the lease was previously passed I do not feel that the question of rent was fully answered.

This resolution responds to previously stated comments made by the county executive that he and only he has the power to renegotiate the lease. This resolution calls on him to exercise his interpretation of his powers.

For the sake of making the playing field more even for other potential providers, for the sake of cleaning up the system and for the clear and substantial benefit to the taxpayers, I submit this resolution to the board of legislators.

WAYS & MEANS

Honorable Members:

There is a need for additional funds in various salary and related personal services' accounts throughout the County for 2009. These transfer requirements have resulted from a variety of factors such as the early retirement incentive stipends and the fact that the 2009 budget was in place before the final settlement of the Sheriff and Nurses contracts were ratified which resulted in additional compensation to staff covered by these agreements. The resulting payroll adjustments, as expected, caused budgetary shortages in many salary accounts, all of which are adequately covered by surpluses in other personal services' accounts and the Special Contingent Account - Salaries, which was funded when vacancies occurred during the budget year.

Other significant personal services' shortages occurred in the Sheriff's Jail Inmates' Overtime account which was the result of chronic staffing shortages and also the decision to budget overtime accounts at lower levels in 2009 in an attempt to balance a lean budget.

Due to the need to close the 2009 accounting records, I ask that these transfers be acted upon at the **March 10th meeting**. I therefore request your Board approval for the following **2009** fund transfers:

WORKERS' COMPENSATION

WAYS & MEANS

Honorable Members:

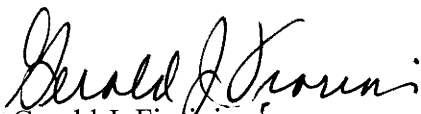

Since 1991, Worker's Compensation administration has been assigned to Lynn Milograno in her capacity as Deputy Clerk. As part of the reorganization of the Board staff and office, the decision was made to transfer the duties of Workers Compensation to a full time director, and consolidate the duties of the Secretary to the Chairman and Deputy Clerk into one position. This reorganization has the potential to lower the amount of salary paid to Board staff between 2009 and 2010 by nearly \$40,000.

As part of the process to fill the void left by the retirement of Lynn Milograno, I indicated in a letter addressed to this Board dated February 19, 2010 that there is a need to create the position of Director of Worker's Compensation. Creating this position will allow the Board to find a permanent replacement for Worker's Compensation, while also allowing the new hire to work closely with Lynn Milograno while she is under contract. This will ensure that we have a seamless transition.

Therefore, I am asking that the Board of Legislators create the position of Director of Worker's Compensation, Grade 25M, Step 3, \$32,370 as part of the Board of Legislators staff. Because of the need to move the hiring process forward, I am asking that the Board consider this at the March 10, 2010 Board meeting.

Thank you in advance for your consideration.

Sincerely,

Gerald J. Fiorini
Chairman
