WAYS & MEANS

Dear Mr. Picente:

Plaintiff Chantal Bien-Aime, commenced action in the United State District Court, Northern District of New York against the County of Oneida, Oneida County Deputy Sheriff Mark Chrysler and the City of Rome Police Department for state and federal claims related to a false arrest charge and injuries suffered during an arrest that occurred on March 28, 2013.

I am in receipt of a letter, from David A. Bagley, attorney for the County and for Deputy Chrysler, recommending that the action against the County and Deputy Chrysler be settled in the amount of \$30,000. Mr. Bagley recommends the settlement on the basis of risk management.

This will be part of a global settlement of the litigation whereby the County will contribute \$30,000 and the City of Rome will contribute \$20,000 for an overall settlement amount of \$50,000 to be paid to plaintiff Chantal Bien-Aime. The payment will satisfy all claims from the plaintiff.

I agree with the recommendation of settlement from Mr. Bagley and I ask that this matter be referred to the Board of Legislators for their approval at their October 8, 2014 regular session.

Very truly yours,

Peter M. Rayhill
County Attorney

Dear Mr. Billard:

July 16, 2015 will mark the anniversaries of Oneida County Agricultural Districts No. c6 & c7 first formed on July 16, 1975.

Consistent with the requirements of the Agriculture and Markets Law, your legislative body must conduct a review of the Districts. This letter serves as a notice to initiate the review and generally defines the review process and time frame.

The review is designed to gauge the District's effect on local government policies concerning community development, environmental protection and preservation of the agricultural economy. The review must also consider how District farms and farm acres have furthered the purposes for which it was originally established, the extent to which it has achieved its original objectives and its degree of consistency with community economic and land use conditions.

The Agricultural District 8-year review procedures and forms are detailed on the Departments website at: <http://www.agmkt.state.ny.us/programs.html> and <http://www.agmkt.state.ny.us/APagservices/agdistricts.thtml>

If I can be of any assistance during the district review or if you have any questions regarding the Agricultural Districts Program, please call me at 518-457-5606 or e-mail me at john.brennan@agriculture.ny.gov
