Oneida County

1010: Board of Legislators

December 20, 2017

The Board of Legislators is the governing, appropriating and policy-making body for Oneida County. It has the power to levy taxes, adopt budgets, incur debt, fix compensation and approve local Laws and resolutions. The Board's powers and duties derive from the Oneida County Charter and Code and the laws of the State of New York. In 2014 the Board membership was reduced from 29 to the current level of 23 members.

1110: County Courts - Pistol Permits

Oneida County

December 20, 2017

The Pistol Permit Office was established to administer the State Pistol Permit Law in Oneida County as required by Section 400 of the Penal Law. The Pistol Licensing Officer, as delegated by the County Court Judge, is responsible for the processing of all license applications. This includes the receipt and review of all pre- and post-licensing investigations, the issuance of licenses, the receipt and processing of license amendments, the receipt and investigation of police agency reports of bad acts and crimes by licensees, and the scheduling of hearings. Annually, the Pistol Permit Office serves, in person, about 5,000 people in both the Utica and Rome offices, and responds to a greater number of telephone inquiries.

1171: Law Dept - Supplemental Assigned Counsel Plan

December 20, 2017

Appropriations in the Law Department – Supplemental Assigned Counsel Plan cost center provide funds for the work of private attorneys who are appointed by the court to represent indigent clients. NYS County Law, Article 18b requires counties to provide these services through this Bar Association approved Plan. The Plan represents pre-qualified persons who have been determined to have a conflict with clients already receiving services through either of the two Public Defender’s offices for matters in Family Court, criminal courts throughout the County and Appellate cases.

1311: Finance - Treasury

December 20, 2017

The Treasury Division of the Finance Department's responsibilities include the collection, receipt, custody and deposit of all fees, taxes, revenues and other funds of the County. Specific activities include the efficient collection of delinquent taxes, interest and penalties, and the billing and collection of in-lieu-of-tax payments. This division is responsible for tax warrant accounting, reconciliation of all tax accounts, and approximately 6,000 tax searches per year. All revenues are collected, recorded and deposited on a daily basis. Tax information is disseminated to the public daily over the counter and over the telephone. Treasury also reconciles all returned village, school and delinquent sewer taxes, and collects same from June through December. This division also maintains the collection, administration, and distribution of the quarterly room occupancy tax and rent interception program.

1312: Finance - Real Property Tax Services

December 20, 2017

The Real Property Tax Services (RPTS) Division of the Finance Department ascertains, enters and extends taxes levied by the Board of Legislators for all County, town, and special district purposes. This includes unpaid village taxes, safety net charges (Utica and Rome), erroneous taxes, delinquent water and sewer rents, part-county delinquent sewer charges, and the preparation of the tax rolls for such taxes. The RPTS Division calculates and apportions the semi-annual mortgage tax distribution, updates tax maps, processes title change data, calculates tax rates on behalf of the towns, prepares tax warrants and certain state mandated reports. Responsibilities include maintaining the assessment of real property as determined by the local assessors and providing consulting and advisory services to local assessors and tax collectors in the performance of their duties.

2018 Adopted Budget Report

Oneida County

1430: Personnel

December 20, 2017

The Department of Personnel has two missions: 1) administer in Oneida County (outside the three cities) the Civil Service merit system as established by Oneida County Charter, NYS Civil Service Law and the State Constitution, and 2) provide human resources for over 1700 positions in Oneida County Government. The department works with 106 jurisdictions and department heads to fulfill employment needs and maintains detailed employment histories on over 6,000 public service positions in our villages, schools, libraries, towns, authorities and county government.

1610: Central IT Services

December 20, 2017

The Department of Central Services primary function is to provide support for County departments and certain outside agencies. The three components of Central Services are Information Technology (IT), the Mail Room and the Print Shop. The IT segment is responsible to install and maintain desktop computers and peripherals, file servers, backup routines, help desk, as well as monitor and support the County's network topology. The IT section also performs department specific software programming. The Mail Room offers the convenience of a full service post office within County government. On a daily basis it handles Presorted, First Class, Express, Priority and Certified mailings, as well as parcel services. The Print Shop rounds out our Central Services by providing quality printing in both black & white and color, document duplication, bindery, folding and inserting, brochures, newsletters for both County departments and outside agencies.

1900: Finance - Insurance On County Property

December 20, 2017

Pursuant to the County Charter, the Commissioner of Finance is charged with the coordination and direction of all insurance on County Property. This cost center provides appropriations for risk management and the various insurance coverages, including general liability, property and casualty, automotive, boiler and machinery, surety, police professional, inland marine, airport and fixed base operation, and general medical liability. The Finance Department projects insurance costs of each department for budget purposes and bills the departments for their proportionate share of the aggregate insurance cost for the County. Claims management is coordinated with the Oneida County Law Department and the County's Risk Manager.

3113: Sheriff - Special Initiatives

Oneida County

December 20, 2017

The Sheriff has implemented a multi-agency special initiatives plan to combat drug abuse, sexual abuse, and arson. These crimes are of serious concern in our community and threaten public safety, as well as economic growth. Resources must continue to be dedicated to conduct investigations, make arrests, and assist in prosecuting cases involving drugs, sexual abuse and arson, if Oneida County is expected to thrive.

3140: Probation - Office of Probation

December 20, 2017

The Oneida County Probation Department's mission is to advance a balanced triad of agency goals, namely that of ensuring community protection, providing clientele accountability and enabling offenders to become competent and productive citizens. The "balanced and restorative justice" approach is intended to provide quality, cost-effective services to our stakeholders within the guidelines of State and local statutes and judicial mandates. The Department embraces the philosophy that the community, victim and offender should receive balanced attention and in turn should gain tangible benefits from their interactions with the probation department and justice system as a whole.

3141: Probation - Domicile Restriction Program

December 20, 2017

The Domicile Restriction program is an alternative sentencing program that supports and encourages the use of periods of electronically monitoring of non-violent offenders in their own homes as an alternative to incarceration. It is also utilized to track sex offenders and those convicted of domestic violence offenses. The program is implemented as a "special condition" of probation or as a conditional discharge from the court, pursuant to Article 13-A of the New York State Executive Law. The Probation Department installs and monitors the electronic equipment and maintains personal contact with the offender. In turn the department reports the offenders' program compliance or violations to the court. In cases of non-compliance the court can revoke the "special condition" of domicile restriction and replace same with a period of incarceration.

3142: Probation - PINS Diversion Program

December 20, 2017

The Persons in Need of Supervision (PINS) Adjustment Services Program is an intervention and treatment initiative that is jointly coordinated by the Oneida County Department of Social Services and the Probation Department. Its intent is designed specifically to divert, from Family Court, youth under the age of eighteen that have been persistently incorrigible at home or in school (and/or) are habitually truant from school. In addition, it is intended to prevent disruption of the families served, to prevent foster care and institutional placements of adjudicated youth and to maximize the chances for troubled youth to remain with their families with an array of closely monitored community based adjustment services. The program is authorized under section 735 of the NYS Family Court Act and section 243A of the NYS Executive Law.

3152: Sheriff - Inmate Commissary

Oneida County

December 20, 2017

A commissary is provided at the Correctional Facility to hold inmates' funds while they are incarcerated and to allow inmates to purchase goods that are not provided by the facility. The sale of goods produces revenue that is used to offset the cost of operations and to purchase supplies and equipment for prisoner welfare and rehabilitation, as outlined in N.Y.S. Minimum Standard #7016.

3313: Stop DWI (3313)

December 20, 2017

STOP-DWI (Special Traffic Options Program for Driving While Intoxicated) Programs were established by New York State Law in 1981. Section 1197 of the New York State Vehicle & Traffic Law calls for the return of all DWI and related fine monies to the county of origin. The mission of the Oneida County STOP-DWI Program is to conduct a comprehensive, county, city, town & village effort to remove the intoxicated motorist from our Oneida County roadways. This is best accomplished through a coordinated aggressive and proactive program involving law enforcement, prosecution, probation, rehabilitation & treatment, and community awareness & education program components.

3610: Traffic Safety

December 20, 2017

The mission of the Oneida County Division of Traffic Safety is to insure the safest possible roadways in Oneida County by enhancing traffic safety education, engineering & enforcement programming opportunities for our many traffic safety customers. As home to the Oneida County Traffic Safety Advisory Board, the Division of Traffic Safety oversees the administration of the National Safety Council's Defensive Driving Course (DDC), coordinates the county-wide traffic safety strategic plan as promulgated by the New York State Governor's Traffic Safety Committee, and administers and disseminates a variety of other traffic safety community awareness & education materials and programs.

3620: Traffic Safety - Handicapped Parking Ed Program

December 20, 2017

The Handicapped Parking Education Program was established by New York State Law in April, 2000. Section 1203 (g) of the New York State Vehicle & Traffic Law calls for the imposition of a new \$30.00 surcharge that is attached to each conviction for a violation of handicapped parking laws. The law calls for the return of \$15.00 of each \$30.00 surcharge to be returned to the County of origin, while the remaining \$15.00 is returned to the municipality where the ticket was written. The mission of the Oneida County Handicapped Parking Education Program is to provide education, advocacy and increased awareness of handicapped parking laws throughout Oneida County through a coordinated community awareness & education campaign, along with coordinated enforcement, prosecution & court-related programming opportunities. The Oneida County Director of Traffic Safety has been designated by the Oneida County Executive to serve as the Coordinator of this program.

4015: Public Health - Lead Screening Program

December 20, 2017

The Lead Screening Program is a mandated health department program funded by the Federal Government through a contract administered by the NYS Department of Health. This program works to ensure that all children's blood lead levels in the County are tested at ages 1 and 2 as mandated by NYS Public Health Law. Program services include environmental inspections of home for lead hazards, education on how to avoid lead poisoning in children, and daily monitoring of blood lead level results for all children tested in Oneida County.

4312: Mental Health - Psych Exp in Criminal Act

December 20, 2017

The expenses of this cost center formerly appeared in the A4310 cost center. A separate cost center was created since these expenditures are all local county cost with no offsetting state or federal aid. The expenditures represent the cost of placing individuals who are residents of Oneida County in state facilities that are deemed incompetent to stand trial due to mental health or developmental disability incapacity.

6141: DSS - Safety Net Part-County

Oneida County

December 20, 2017

The mission of the Safety Net program is to insure the provision of financial assistance to needy persons residing in the cities, towns, and villages of Oneida County who do not meet the eligibility requirements of federally reimbursed and aided programs. The Safety Net program also provides temporary assistance to persons awaiting eligibility determinations for the Supplemental Security Income (SSI) program. With the 5 year time limit imposed on TANF cases, these cases then transition to the Safety Net program. These program costs are 29% reimbursable by the State of New York.

6411: Budget - Community Assistance

December 20, 2017

Under the settlement agreement ratified in 2014 between State of New York, Oneida County, Madison County and the Oneida Indian Nation, Oneida County receives a percentage of gaming revenue. Partners in Prosperity Funds have been created to use this revenue to move the county forward. These Partners in Prosperity funds are made available to enhance education, public safety, infrastructure, economic development and arts and culture. Grants and/or monies will be awarded after proposals are submitted from qualified entities and thoroughly reviewed and approved by the County Executive and the Board of Legislators.

6510: Veterans Service Agency

December 20, 2017

The Oneida County Veterans Service Agency exists primarily to assist our veteran population, and their dependents, in obtaining eligible benefits from the U.S. Department of Veterans Affairs, earned through military service to their country. These benefits include, but are not limited to, Disability Compensation and Pension, Education and Training, Home Loans and Loan Guaranty Services, Vocational Rehabilitation, Insurance Services, Burial and VA Cemeteries, and Healthcare Benefits. A further function of the Veterans' Service Agency is to reach out to our county's veterans through public relations, community involvement and by initiating and implementing activities that will encourage them to access those benefits that they have so courageously earned.

6774: OFA - Office Of Continuing Care

Oneida County

December 20, 2017

The Office of Continuing Care provides information, assistance and a comprehensive assessment to individuals and families in the community who need assistance with obtaining services for long-term care. The Office also strives to blend and enhance in-home services so that they are easily accessible to all those in need regardless of age and income. Such services include case management, PCA, I & A, housekeeping, nursing, prescreens, ancillary and respite care.

8110: G - Water Poll Control - Administration

December 20, 2017

The Department of Water Quality and Water Pollution Control is responsible for the administration, operation, and maintenance of a 48-million gallon-a-day advanced secondary wastewater treatment facility and 35-mile interceptor system which treats all domestic and industrial wastewater for a 15 municipality part-county sewer district of approximately 125,000 people. A comprehensive pretreatment program serves our industrial customers and prevents any hazardous waste from entering the system. The Department increasingly participates in the abatement of community-wide environmental concerns such as treatment of landfill leachates, super fund sites, non-hazardous wastes, hauled septic wastes, response to oil, chemical and hazardous waste spills, groundwater remediation efforts, and response to individual community sewage problems and environmental impact studies.
