TRAINING BULLETIN

Conducting Live Fire Training Evolutions

Conducting Live Fire Training Evolutions: The purpose and intent of this course is to provide the student with basic understanding of the requirements of NFPA 1403 Standard on Live Fire Training Evolutions. It is intended that the student be provided with an introduction to the necessary knowledge and tools to properly prepare and conduct live fire training evolutions. This program provides an in-depth analysis of NFPA 1403, addressing evolutions at traditional county or town training centers, gas fired training buildings and exterior props, vehicle fires and acquired structures and exterior class B fires.

The course consists of 3 hours of training presented on as follows:

LOCATION: Willowvale

Nov 27th @ 11:00pm

Class starts at 8 A.M. on Saturdays and 6:30 pm on Week nights
Unless otherwise Listed

Prerequisites: Live Fire Training Safety and Firefighter I or equivalent.

Pre-registration is required. Class size is limited to 30 students!

*Equivalencies: Essentials AND Initial Attack or Basic AND Intermediate (be prepared to show proof of any prerequisites)
