## Live Fire Training Safety

**Live Fire Training Safety:** The purpose and intent of this course is to provide the student with basic understanding of the requirements of NFPA 1403 Standard on Live Fire Training Evolutions. It is intended that the student be provided with an introduction to the necessary knowledge and tools to properly prepare and conduct live fire training evolutions. It is also designed to provide an overview of live fire training requirements, especially for responsible individuals such as commissioners and chiefs who may not be directly involved with the conduct or planning of these evolutions, but with whom may rest the ultimate responsibility for training within their jurisdiction.

The course consists of 3 hours of training presented on as follows:
