

# Oneida County Department of Health

## Environmental Health Division

Plan Review Fee Schedule (revised January 2011)

In accordance with State of New York Public Health Law, Article 6, Part 40-4, a fee is required for services conducted by this department with respect to oversight of the certain operations. Article 6, Part 40-4 states that "...each municipality must charge a fee for the granting of a permit, inspections, and other services prerequisite to the issuance of a permit, or for rendition of clinical or other services...". The following is the current plan review fee schedule for Health Department review in Oneida County.
