**GENEALOGY**

Although the records center does not house Vital Records, many of our resources are useful in compiling genealogies. We have a number of city directories for the cities of Utica & Rome, large collection of DAR records, marriage records from 1908-1935, local newspapers from 1841-1879, as well as deeds and mortgages. For other resources, you may wish to visit the Utica Public Library which is just a few blocks from the County Office Building. The internet is also a good place to look for genealogy information. Two sites you may wish to visit are: www.dar.org/library and www.familysearch.org
