To file,

The Herkimer-Oneida Counties Transportation Study (HOCTS) placed the 2011-2012 Program of Project for the Utica Urbanized Area in local newspapers for public review on November 23rd 2010. A legal notice was published in the Utica Observer-Dispatch, the Rome Daily Sentinel and the Herkimer Evening Telegram and was posted on HOCTS web-site. A Public Hearing was held December 29th 2010 in the Oneida County Planning Department. No one attended the public hearing. Also there were no written comments regarding the Program of Projects, and there were no comments on web-site within the 30 days public review and comment period.

Therefore, the proposal will serve as the final 2011-2012 Program of Projects.
