RESIDENCE REQUIREMENT TO PARTICIPATE IN THE EXAMINATION: NONE

When preference in certification is given to residents of a municipality pursuant to subdivision 4-a of Section 23 of the Civil Service Law, an eligible must have been a resident of such municipality for at least one month prior to the date of certification in order to be included in a certification as a resident of such municipality and must be a resident of such municipality at the time of appointment.

MINIMUM QUALIFICATIONS:

JUNIOR WASTEWATER TREATMENT PLANT OPERATOR:

Graduation from high school or possession of a high school equivalency diploma **AND** six (6) months of water plant or wastewater plant experience which included experience in water or wastewater quality assurance tests. **NOTE:** Verifiable part-time experience as defined above will be pro-rated toward meeting full-time experience requirements.

SPECIAL REQUIREMENT: Possession of a valid New York State driver's license at time of application. License must remain valid throughout appointment in order to meet the transportation requirements of the job.

JUNIOR WASTEWATER TREATMENT PLANT OPERATOR TRAINEE:

Graduation from high school or possession of a high school equivalency diploma. **NOTE:** Employees are required to satisfactorily complete training during their one (1) year trainee appointment periods. Upon satisfactory completion of training, incumbents will be advanced to the title of Junior Wastewater Treatment Plant Operator.

SPECIAL REQUIREMENT: Possession of a valid New York State driver's license at time of application. License must remain valid throughout appointment in order to meet the transportation requirements of the job.

- NOTES:**
1. Applicants must meet the minimum qualifications at time of application.
 2. A single eligible list will be established as a result of this examination and will be used to fill vacancies as they occur. Candidates who are successful in this examination, and who have the six (6) months experience requirements, will be certified for appointment at the Junior Wastewater Treatment Plant Operator level. Other eligibles will be certified at the Trainee level, and will be advanced to the journey level without further examination upon satisfactory completion of the training requirements.

DUTIES:

Junior Wastewater Treatment Plant Operator: This position exists in a wastewater treatment plant and has responsibility during an assigned shift for the performance of operation and allied plant maintenance activities. The incumbent performs related work as required.

Junior Wastewater Treatment Plant Operator Trainee: This is a trainee position, which involves responsibility for learning the duties, responsibilities and routines involved in the operation and maintenance of a wastewater treatment plant. An appointee undergoes on-the-job training to become qualified as a first level operator. The incumbent performs related work as required.

SUBJECTS OF EXAMINATION: There will be a **PC-administered test** which you must pass in order to be considered for appointment. The test will be administered on a personal computer (PC). Candidates need no prior knowledge of computers in order to take the test. The test uses a simple point-and-click system that is thoroughly explained through an animated instruction program. Candidates will be given a sample test on which to practice before the actual test begins.

PC-administered test: This test is designed to evaluate knowledge, skills, and/or abilities in such areas as:

1. **Basic Mathematics:** These questions test your ability to use addition, subtraction, multiplication and division to solve basic arithmetic problems that might be encountered in water and wastewater treatment plant operations. Questions may also involve the use of fractions, decimals, averages, and percents.
2. **Elementary Chemistry and General Science:** These questions test your knowledge of basic processes and concepts in chemistry and general science.
3. **Mechanical Aptitude:** These questions test your ability to identify and understand how basic mechanical instruments such as motors and gears work.
4. **Safety Practices:** These questions test your knowledge of basic safety practices.
5. **Tools and Reading of Scales and Gauges:** These questions test your ability to recognize or identify basic tools and their common uses and to make accurate readings of various types of dials, scales and gauges.
6. **Understanding and Interpreting Written Material:** These questions test how well you comprehend written material.

CALCULATORS ARE RECOMMENDED: Unless specifically prohibited, candidates are permitted to use QUIET, hand-held, solar- or battery-powered calculators ONLY. Devices with typewriter keyboards, such as cell phones, computers or devices which can be hooked up to a computer, spell-checkers, personal digital assistants, address books, language translators, dictionaries and any similar devices are **PROHIBITED**.

RETEST POLICY: Retest for this continuous recruitment examination is permitted after six months.

ELIGIBLE LISTS: Candidates who meet the qualifications, and pass this examination, will have their names placed on the Eligible List, in the order of final scores, regardless of the date on which they filed or took the test. The names of qualified candidates will remain on the Eligible List for one year. Appeal of ratings will not be allowed, as the opportunity for re-test exists.

TERMINATION OF THE PROGRAM: Oneida County Department of Personnel reserves the right to terminate this special recruitment program at any time, and re-establish a program of periodic testing for this title.

TEST GUIDE: A "Guide to Taking the Examination for Water and Wastewater Treatment Plant Operator/Trainee Series" is available on the New York State Department of Civil Service web site: www.cs.ny.gov/testing/localtestguides.cfm or at the Oneida County Department of Personnel's Office, Oneida County Office Building, third floor.
