LIFEGUARD

DISTINGUISHING FEATURES OF THE CLASS: Employees in this class are responsible for the safety and welfare of patrons at a bathing beach or swimming pool. This responsibility extends to patrons whether they are in the water, poolside, on the deck, or on the beach. Employees in this class assist in a swimming education program, teaching swimming to children and adults. They are also responsible for maintaining order and discipline in their assigned area. Employees must maintain strict vigilance and strict adherence to established safety rules and regulations. Considerable responsibility for the exercise of sound judgment in emergencies is required from employees in this class. An error in judgment might result in a serious accident or in the loss of a life. The work is performed under the general supervision of a Recreation Director, Supervising Lifeguard, or another authorized municipal official. The incumbent does related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative Only)

Watches and patrols bathing beach or swimming pool and surrounding area, maintaining and aiding in the safety and welfare of patrons;

Under supervision of a Water Safety Instructor, assists in teaching swimming to both swimmers and non-swimmers

Coordinates swimming activities with other aspects of a general recreation program;

Applies resuscitation techniques and administers first aid;

Keeps the swimming area free of glass and other debris;

Maintains order and discipline and enforces safety rules and regulations to prevent accidents and injuries;

Assists in the maintenance and repair of pool and beach facilities and equipment;

Keeps simple records and makes reports of swimming activities and accidents occurring on the premises.

FULL PERFORMANCE KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

Good knowledge of first aid, lifesaving and rescue work as applied to accidents in the water; good knowledge of rules and regulations governing the use of municipal swimming facilities; requires a high degree of skill in swimming and lifesaving; ability to deal with public and to secure cooperation without unnecessary antagonism; ability to respond quickly, calmly and effectively in emergency situations; ability to keep records and to make simple reports; good observation; mental alertness; physical endurance; physical condition commensurate to do the job.
