ONEIDA COUNTY SPORTS FACILITY AUTHORITY FINANCIAL STATEMENTS

DECEMBER 31, 2016 and 2015

Oneida County Sports Facility Authority Independent Auditor's Report

I have audited the accompanying statement of financial position of the Oneida County Sports Facility Authority (a nonprofit entity) as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Oneida County Sports Facility Authority as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.
